KEY TRANSIT FACTORS

☾ Moon ☐ Square ♅ natal Pluto ★

You feel emotionally raw right now, and small frustrations hit harder than they normally do. Your impulse to control situations around you gets stronger, even though pushing usually makes things worse. These days you are likely to pick fights or withdraw completely, so watch for both patterns and try to sit with discomfort instead of acting on it.

♀ Venus △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to feel **generous and optimistic** about what you have and what you want. People respond well to you right now because you come across as warm and genuinely interested in them. This is a good time to ask for what you need or to strengthen the relationships that matter most to you.

♄ Saturn △ Trine ♁ natal NNode

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

♂ Mars ★ Sextile ♅ natal Uranus

Right now you find it easier to act on your unconventional ideas without overthinking them, and people respond well to your **refreshing directness**. You're willing to try new approaches at work or in your routines, and small experiments often lead somewhere useful rather than nowhere. This window won't last long, so these are good weeks to pitch that different idea or shake up something that's been stuck in the same pattern.

♁ Chiron △ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

☾ Moon ☐ Square ♃ Jupiter

Your emotions feel bigger than they actually are right now, and you are **overreacting to small disappointments** as if they matter more than they do. *Jupiter* amplifies whatever *Moon* is feeling, so today you might eat too much when you are mildly sad, or spend money you did not plan to spend because you want to feel better. The gap between what you want and what is realistic becomes harder to ignore, and sitting with that gap without doing something about it takes real effort.

☾ Moon ∟ Semi sextile ♆ Neptune

These days you find it easier to **pick up on what others actually need** rather than what they say they need. Your emotional radar is working well, and people around you feel understood without having to explain everything. This *Moon* and *Neptune* connection creates a practical advantage: you can respond to unspoken requests and offer support that lands just right.

☿ Mercury ∟ Semi sextile ♀ Venus

These days you find it easier to say what you actually think without hurting people's feelings. Your words come out softer and more **considerate** than usual, which makes conversations feel more natural and pleasant. This is a good time to have difficult talks or ask for something you want, because people are more likely to listen and respond well.

LUNAR DAY

Moon in ♒ Aquarius · Day 6 / 30 · Waxing Crescent

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
