KEY TRANSIT FACTORS

♂ Mars ☌ Conjunction ♁ natal Chiron

You are more aware of where you feel hurt or inadequate, and you want to do something about it instead of just thinking about it. Your instinct right now is to **push through pain or prove yourself capable**, which can help you take practical steps but might also make you rush into situations without patience. These days you need to watch whether you are acting from genuine confidence or from a need to overcome old doubts.

♆ Neptune ☌ Conjunction ♃ natal Jupiter

You're more willing to take risks right now, and your usual caution about money or commitments feels less important than it did before. This can work in your favour if you're starting something new, but you might also overlook practical details or agree to things without checking the facts first. Over the coming weeks, check decisions twice before acting, because your judgment about what's realistic is softer than normal.

☉ Sun ☐ Square ☿ natal Mercury

Right now you're finding it hard to say what you actually mean, and people keep misunderstanding you even when you're trying to be clear. Your **thoughts feel scattered and your words come out wrong**, which makes conversations frustrating for everyone involved. Over the coming weeks, you'll need to slow down and write things out or repeat yourself more often, because your usual way of communicating just isn't landing.

♃ Jupiter ☌ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

☿ Mercury ☌ Conjunction ♃ natal Jupiter

You're thinking in bigger pictures right now, and your conversation becomes more persuasive and generous with ideas. People want to listen to you because you're offering something useful, not just speaking for the sake of it. This **optimistic and expansive way of communicating** can open doors in your work or social life over the coming weeks.

☉ Sun ☌ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♏ Scorpio · Day 17 / 30 · Full Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Cancer

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
