## KEY TRANSIT FACTORS

### ☉ Sun ♂ Conjunction ♁ natal Chiron ★

Over the coming weeks, you become more aware of where you feel inadequate or have given up on yourself. This isn't painful so much as honest—you see your own blind spots about your abilities and worth. This is the moment to decide if you want to **stop protecting yourself from trying** or keep playing it safe.

### ☾ Moon ♀ Quincunx ♆ natal Neptune ★

Over the coming weeks, you may find it harder than usual to trust your own feelings or to know what you actually want in a situation. Your mood and your practical needs seem to be pulling in different directions, leaving you **uncertain about which one to follow**. This confusion usually passes once the transit moves on, but while it lasts you might make decisions you later question or feel emotionally scattered without a clear reason why.

### ♂ Mars ♂ Conjunction ♊ natal NNode

You are feeling **more willing to take action on things you normally hesitate about**, and this confidence is pulling you toward people and situations that match where you want to develop. Over the coming weeks, you may notice you're speaking up in meetings, starting conversations with new people, or pursuing opportunities you would usually pass on. This directness can open doors, but it can also create friction if you push too hard without checking whether others are actually ready to move at your pace.

### ♀ Venus ♀ Conjunction ♁ natal Chiron

Right now you are more willing to talk about what hurts you, and people respond with genuine care instead of judgment. You notice **old insecurities feel less raw** when you mention them out loud—someone's kindness or interest makes the shame fade a little. Over the coming weeks, small acts of acceptance from others will matter more to you than they normally do.

### ♅ Uranus \* Sextile ♀ natal Venus

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

### ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun \* Sextile ♁ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♊ Gemini · Day 29 / 30 · Waning Crescent

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
