## KEY TRANSIT FACTORS

### ☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☉ Sun ◻ Square ♃ Jupiter ★

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ♁ Chiron ♂ Conjunction ♁ natal NNode

Right now you're noticing where you've been holding back from doing things that matter to you, and you're feeling more willing to try them anyway. You're less focused on whether you'll look foolish or fail, and more focused on what you actually want to learn or attempt. Over the coming weeks, this practical shift in attitude is likely to push you into situations that feel new, uncomfortable, and oddly necessary.

### ♂ Mars △ Trine ♁ natal NNode

You're finding it easier to take action on things that actually matter to you right now. **You move forward with less self-doubt**, and people respond well to your directness and confidence. Over the coming weeks, opportunities show up because you're willing to try things that align with what you genuinely want.

### ☉ Sun ⚡ Quincunx ♁ natal NNode

Right now you feel **pulled in two different directions** about what you want to do with your time and energy. Part of you wants to keep doing what's familiar, but another part senses you should be moving toward something new. This awkward feeling usually passes in a couple of weeks, but while it lasts you may second-guess decisions or feel restless about the direction you're heading.

### ☾ Moon ◻ Square ♃ natal Uranus

Right now you feel restless and irritable in ways that don't match your usual mood, making you **snap at people over small things** and struggle to sit still. Your need for sudden change clashes with what you actually need emotionally, so you might suddenly want to quit something or push away someone close to you without being clear why. These feelings will pass in a few days, but while they last you'll need to notice the impulse to act on them rather than act immediately.

### ☾ Moon ◻ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

### ♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

### LUNAR DAY

Moon in ♋ Pisces · Day 10 / 30 · First Quarter

**The boundary between personal and environmental moods blurs** during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

### CLOTHING & JEWELRY
