## KEY TRANSIT FACTORS

### ♁ Chiron \* Sextile ☿ natal Mercury

Right now you're finding it easier to talk about things that normally feel awkward or painful, and people respond well to your honesty. Your **ability to explain difficult feelings in clear, straightforward language** is sharper than usual, which helps you connect with others without getting stuck in defensiveness. Over the coming weeks, conversations that might have been tense instead become a chance to actually understand each other better.

### ☿ Mercury △ Trine ♃ natal Jupiter

These days you find it easier to explain what you actually think, and people tend to listen without getting defensive. Your mind feels **naturally clear and generous**, so you're more likely to ask good questions and give others the benefit of the doubt when you talk. Over the coming weeks, conversations that normally feel strained or circular often just work out, which can smooth things at work or in your relationships.

### ♁ NNode △ Trine ♁ natal NNode

Right now you find yourself **naturally moving toward people and situations that feel right for you**, without having to force or overthink the decision. You meet someone useful or stumble into an opportunity that aligns with what you actually want to be doing. This period supports you in following your instincts about where to put your effort, and doors tend to open when you do.

### ♃ Jupiter △ Trine ☿ natal Mercury

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

### ♄ Saturn \* Sextile ♃ natal Jupiter

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

### ♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

### ☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

### ☉ Sun qx Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

› Moon ☾ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♐ Sagittarius · Day 3 / 30 · New Moon

**Restlessness with routine increases** during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
