KEY TRANSIT FACTORS

♂ Mars * Sextile ☉ natal Sun

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

♂ Mars Δ Trine ♅ natal Uranus

Right now you're willing to take risks in practical ways that normally feel too uncomfortable, and it's working out. You act on unconventional ideas quickly without overthinking them, and this **decisive independence** is getting real results. Over the coming weeks, trust that your instinct to break routine and try something different is actually reliable, not reckless.

☿ Mercury ☿ Quincunx ♂ natal Mars

Over the coming weeks, you'll notice your words and actions don't quite line up the way you expect. You might say something that comes across too blunt, or realize mid-sentence that what you meant to express sounds completely different out loud. This **mismatch between intention and delivery** creates small friction in conversations, especially when you're trying to get something done or persuade someone to your side.

♄ Saturn □ Square ♁ natal NNode

Right now you feel **stuck between what you want to do and what you think you should do**, and this friction is making you second-guess your choices. People and situations are pushing back on your plans in ways that feel unfair, forcing you to slow down and reconsider directions you were confident about. Over the coming weeks, you'll need to do the harder work of proving to yourself—and others—that your choices actually matter, rather than just moving forward on assumption.

♁ Chiron ♂ Opposition ♄ natal Saturn

Right now you're feeling the gap between what you think you should be able to handle and what actually feels manageable, which makes everyday tasks feel heavier than usual. You may become **unusually self-critical about your limitations**, noticing where you fall short of your own standards and being harder on yourself than you normally are. Over the coming weeks, people close to you might interpret this as withdrawn or pessimistic, when really you're just confronting how much pressure you've been putting on yourself to stay in control.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

LUNAR DAY

Moon in ♊ Gemini · Day 25 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
