KEY TRANSIT FACTORS

☉ Sun \angle Semi sextile ♀ Venus \star

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♀ Venus Δ Trine ♁ natal Uranus

These days you feel more comfortable being yourself around others and less worried about what people expect from you. You're **more willing to try new things socially** — whether that's suggesting an unusual date idea, joining a group with different interests, or speaking up with an unpopular opinion. This period brings a natural ease to your relationships because you're relaxed enough to let your actual personality show, and that authenticity tends to draw people toward you.

☾ Moon σ Conjunction ♊ natal NNode

These days you feel more drawn to people and situations that feel familiar or emotionally safe, even if they are not new. You are likely **seeking connection with others who understand your values without needing to explain yourself**. This pull toward comfort and belonging will fade in a week or two, but right now it is worth noticing who or what actually makes you feel at home.

♆ Neptune \square Square ♂ natal Mars

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

☉ Sun \angle Semi sextile ♁ natal Chiron

These days you are **more willing to acknowledge your own past difficulties without dwelling on them**. You find yourself talking openly about old hurts or disappointments with a calm, practical tone that surprises others. This gentle support from *transiting Sun* to your natal *Chiron* makes emotional conversations feel lighter and less raw.

♁ Chiron σ Opposition ♄ natal Saturn

Right now you're feeling the gap between what you think you should be able to handle and what actually feels manageable, which makes everyday tasks feel heavier than usual. You may become **unusually self-critical about your limitations**, noticing where you fall short of your own standards and being harder on yourself than you normally are. Over the coming weeks, people close to you might interpret this as withdrawn or pessimistic, when really you're just confronting how much pressure you've been putting on yourself to stay in control.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.
