KEY TRANSIT FACTORS

♁ NNode △ Trine ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts** about people and situations without needing to analyze everything. Your imagination becomes more practical during these weeks, letting you spot creative solutions in ordinary problems at work or home. You naturally connect with what others need from you emotionally, so your relationships feel less strained and your social interactions run smoother than usual.

♁ NNode * Sextile ♇ natal Pluto

These days you find it easier to notice what you actually want to change about yourself, and you have the practical confidence to start making those changes without overthinking them. You're **more willing to act on uncomfortable truths** about your habits or patterns instead of avoiding them. This period supports real psychological shifts because you can see your own resistance clearly and work through it without getting stuck in self-doubt.

♀ Venus qx Quincunx ♁ natal NNode

Right now you are noticing small misalignments between what you want socially and what actually fits your growth. You might find yourself attracting people or situations that feel pleasant on the surface but slightly off-track from where you are heading. Over the coming weeks, you will do better by checking in with yourself about whether new connections or social choices actually move you forward or simply feel comfortable in the moment.

♃ Jupiter qx Quincunx ♅ natal Uranus

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

♃ Jupiter * Sextile ♃ natal Jupiter

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

♂ Mars Rx · ♓ Pisces

Physical energy and direction are both diffuse right now, making focused sustained action harder than usual. Motivation may feel unclear or tied to emotional undercurrents rather than concrete goals. Effort focused on what genuinely matters yields more during this period than pushing against the prevailing fatigue.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

LUNAR DAY

Moon in ♑ Capricorn · Day 10 / 30 · First Quarter
