KEY TRANSIT FACTORS

♇ Pluto ☐ Square ☾ natal Moon · peak 4 Dec ★

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

♆ Neptune qx Quincunx ☾ natal Moon · peak 31 Dec ★

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

♃ Jupiter ∟ Semi sextile ♂ natal Mars · peak 19 Dec

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

♊ NNode ♂ Conjunction ♄ natal Chiron · peak 12 Dec

Over the coming weeks, you become **more aware of how you respond when others are struggling or hurt**. You notice yourself wanting to help in ways that feel natural to you, and people actually seem to listen when you do. This isn't about fixing anyone—it's about recognizing where your practical support lands best and feels most genuine.

♅ Uranus qx Quincunx ♃ natal Mercury · peak 14 Dec

While this lasts, your thinking becomes harder to organize—ideas arrive faster than you can sort them, and your usual way of explaining things stops working the way it normally does. You might find yourself changing your mind mid-conversation or struggling to finish a sentence because a completely different thought cuts in. This isn't permanent confusion, just a temporary mismatch between how your brain wants to work right now and how it usually operates.

♃ Jupiter ♂ Conjunction ♅ natal Uranus · peak 7 Dec

Right now you feel **restless with your usual routines** and want to try new approaches to familiar problems. You might suddenly decide to change how you work, spend money, or organize your day just because the old way feels boring. This period pushes you toward practical experiments rather than staying comfortable with what you know.

♃ Jupiter ☐ Square ♃ natal Jupiter · peak 11 Dec

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♃ Jupiter ☿ Quincunx ♀ natal Venus · peak 26 Dec

Right now you're noticing that what you want socially or romantically doesn't quite fit with what you're actually doing about it. You might feel **pulled in opposite directions**—generous impulses clash with practical limits, or you're generous in ways that don't land the way you hoped. Over the coming weeks, small adjustments to how you show up in relationships will feel more natural than pushing harder in any one direction.

♃ Jupiter ☿ Opposition ☼ natal Sun · peak 6 Dec

Right now you are running into people and situations that directly challenge what you believe about yourself. You feel **pulled in opposite directions** — one part of you wants to expand and take on more, while another part doubts whether you can actually deliver. Over the coming weeks, this friction is likely to expose where you've been overestimating your capabilities or making promises you can't keep.

♄ Saturn △ Trine ♃ natal Mercury · peak 1 Dec

Your thinking becomes more organized and methodical right now, making it easier to work through complex problems without getting distracted. You find yourself **naturally able to follow through on plans** and communicate what you actually mean instead of talking in circles. This period is ideal for learning something practical or finishing projects that require sustained focus and clear explanations.

♆ Neptune △ Trine ♁ natal NNode · peak 1 Dec

While this lasts, you find it easier to **trust your instincts about which direction to take** in life, especially in areas where you've felt uncertain before. People around you respond well to your openness, and conversations flow naturally without you having to push or convince anyone of anything. This period softens the usual friction between what you want and what feels right, so you can move forward without second-guessing yourself.

♃ Chiron * Sextile ☾ natal Moon · peak 1 Dec

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

♃ Chiron ∟ Semi sextile ♁ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to **spot patterns in your own behaviour** without getting stuck in self-criticism. Small conversations or situations naturally point out where you've been repeating the same mistakes, and you actually listen instead of defending yourself. This practical self-awareness makes it simpler to adjust course in relationships and work without needing to overanalyse everything.

♃ Jupiter △ Trine ♁ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you instead of second-guessing yourself. **You pursue what matters to you with more confidence**, whether that is a new skill, a social group, or a professional direction. These doors open partly because you are actually asking for what you want, and people tend to respond well to that clarity.

♄ Saturn ☿ Quincunx ♃ natal Chiron · peak 31 Dec

Over the coming weeks, you may notice that **old wounds or insecurities surface when you face practical limits**—especially around work, deadlines, or things you cannot control. This happens because *Saturn* is making you take a hard look at what you've been managing poorly or avoiding, and it feels uncomfortable. The shift you need is to stop protecting yourself and instead be honest about where you actually need help or training.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

PROGRESSED MOON

- Progressed Moon in ♊ Gemini 27.7° H4
- Progressed Moon * Sextile ♁ natal NNode

LUNATIONS

● New Moon · Monday, 5 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

○ Full Moon · Monday, 19 Dec Eclipse

in ♊ Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

KEY DATES

Thu, 1 Dec ♄ Saturn △ Trine ☿ natal Mercury

♆ Neptune △ Trine ♃ natal NNode

Sun, 4 Dec ☿ Mercury enters ♑ Capricorn

♇ Pluto □ Square ☾ natal Moon

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Mon, 5 Dec New Moon in Sagittarius

Tue, 6 Dec ♃ Jupiter ♁ Opposition ☉ natal Sun

Wed, 7 Dec ♀ Venus enters ♏ Scorpio

♃ Jupiter ♂ Conjunction ♅ natal Uranus

Venus in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Sun, 11 Dec ♃ Jupiter □ Square ♃ natal Jupiter

Mon, 12 Dec ♆ Lilith enters ♓ Pisces

♃ NNNode ♂ Conjunction ♆ natal Chiron

♇ Pluto □ Square ☾ natal Moon

Lilith in *Pisces* tends to make people **less direct about what they want**, often dropping hints instead of asking straight out—in work meetings or relationships, you might notice yourself getting **vaguer or more passive** when you're actually frustrated. When boundaries get fuzzy, **resentment builds quietly**, so relationships and work projects can hit snags later because nobody said what they actually needed upfront. *Pisces* softens *Lilith's* edge, which can feel like **easier conflict avoidance** in the moment, but it usually means dealing with bigger cleanup jobs down the line.

Mon, 19 Dec Full Moon in Gemini

♃ NNNode ♂ Conjunction ♆ natal Chiron

Thu, 22 Dec ☉ Sun enters ♑ Capricorn

☿ Mercury stations Retrograde

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
