KEY TRANSIT FACTORS

♄ Chiron ☐ Square ☾ natal Moon · peak 20 Mar

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

♄ Saturn ☐ Square ☿ natal Mercury · peak 30 Mar

Right now your thinking feels slower and more careful than usual, and you may struggle to express yourself clearly to others. **You second-guess your words** before speaking, worry that what you say will be misunderstood, and find it harder to explain ideas that felt obvious before. These mental delays and doubts will pass once this transit moves on, but while it lasts you'll need to accept that communication takes more effort and patience.

♃ Jupiter qx Quincunx ☿ natal Mercury · peak 7 Mar

Right now your thinking feels scattered when you try to tackle detailed work or organize your thoughts. You may notice yourself making careless mistakes in writing or communication because your **attention keeps jumping between ideas** instead of staying focused. Over the coming weeks, double-checking your work and writing things down before speaking will help you actually complete what you start.

♇ Pluto ♂ Conjunction ♄ natal Saturn · peak 31 Mar

You are experiencing a **crushing pressure to get serious about something you've been avoiding**. Right now, authority figures or consequences feel more real and harder to ignore than usual. Over the coming weeks, you'll likely find yourself building new structures or dismantling old ones that no longer work, whether that's in your work, relationships, or how you organize your life.

♇ Pluto ∠ Semi sextile ♇ natal Pluto · peak 31 Mar

Over the coming weeks, you find yourself **making practical changes without the usual resistance** in areas where you normally feel stuck. Small shifts in how you approach difficult tasks or relationships happen naturally, almost without effort on your part. This is a good time to act on improvements you've been thinking about, because the psychological friction that usually holds you back feels noticeably lighter right now.

♇ Pluto ∠ Semi sextile ♆ natal Neptune · peak 31 Mar

You find it easier right now to **notice patterns in situations that confused you before**, especially in relationships or creative projects where things felt murky. Your practical judgment sharpens, letting you spot what's actually happening underneath surface appearances rather than getting lost in assumptions. This clarity lasts only a few weeks, so it's a good time to make decisions about situations you've been uncertain about.

♃ Jupiter △ Trine ♄ natal Chiron · peak 31 Mar

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♁ NNode ♁ Quincunx ♁ natal NNode · peak 31 Mar

Over the coming weeks you notice a disconnect between what you think you should be doing and what actually feels right to you. Your **usual sense of direction becomes unclear**, and small decisions that normally feel straightforward now require more thought. This awkward mismatch between your plans and your instincts will settle once this period passes.

♁ NNode * Sextile ☾ natal Moon · peak 1 Mar

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

♄ Saturn △ Trine ♄ natal Saturn · peak 1 Mar

Right now you find it much easier to **stick with long-term plans without second-guessing yourself**. You have a practical clarity about what needs doing and the patience to do it step by step without getting frustrated. This is a good time to tackle projects that require consistent effort, because your mind naturally settles into a steady rhythm instead of jumping around.

♅ Uranus * Sextile ♄ natal Saturn · peak 1 Mar

You find it easier to **make practical changes without feeling destabilized** right now, as if your usual caution pairs well with wanting something different. Your instinct to plan actually helps you experiment—you can try new approaches at work or in your routines without abandoning what actually works. These days you're less afraid of disrupting your own systems because you trust you can rebuild them quickly if needed.

♆ Neptune ☾ Opposition ☾ natal Moon · peak 31 Mar

Your **emotional reactions feel unreliable right now**, and you cannot trust your own mood to stay the same from one hour to the next. You might withdraw from people you normally rely on, or say things you do not mean because you are confused about what you actually feel underneath. Over the coming weeks, this fog makes it hard to make decisions about your personal life, and you may end up making promises you cannot keep.

♆ Neptune □ Square ♁ natal NNode · peak 1 Mar

Right now you are **second-guessing decisions you thought were settled**, especially about work or relationships that felt like the right direction. Your usual instinct for what matters to you becomes fuzzy, and you find yourself drawn to options that promise escape or easy answers instead of doing the real work. Over the coming weeks, you will probably feel frustrated by this confusion until you accept that clarity simply takes longer during this period.

♄ Saturn ♁ Quincunx ♅ natal Pluto · peak 1 Mar

You feel stuck between wanting to control a situation and knowing you cannot, which makes you irritable and restless in ways that are hard to explain to others. **You push harder on things that won't budge**, and this friction shows up most in relationships or projects where someone else has real power. Over the coming weeks, the practical way forward is to accept what you genuinely cannot change and redirect your effort toward the small moves that are actually within your reach.

♅ Uranus □ Square ♅ natal Pluto · peak 1 Mar

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♂ Mars Rx · ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

KEY DATES

New Moon in Pisces

♄ Chiron ☐ Square ☾ natal Moon

Mars in *Virgo* pushes you to focus your energy on **details and efficiency** rather than big dramatic moves, so you'll likely find yourself fixing things, organizing workspaces, or solving small problems that pile up. At work and in relationships, this transit brings a **critical eye** — people become more direct about what isn't working and more willing to **do the unglamorous tasks** that actually get results. When *Mars* lands here, impatience with sloppy work or vague plans shows up quickly, so **clear systems and practical action** tend to win over charm or wishful thinking.

Sun, 16 Mar ♿ Mercury enters ♈ Aries

Mercury in *Aries* makes people **speak more directly** and skip the small talk they normally use. At work or in conversations, you'll notice folks **jump to conclusions faster** and interrupt more often because they want answers now instead of waiting. In practice, this means **quicker decisions** happen in meetings and texts become blunter, which can clear things up fast but also create friction if people aren't ready for that straight talk.

Wed, 19 Mar ♄ Lilith enters ♍ Virgo

Lilith in *Virgo* brings a **sharp eye for detail** and **impatience with sloppy work** — you'll notice people becoming harder to please about standards, whether their own or others'. In relationships and at work, this transit pushes toward **calling out inconsistencies** rather than letting things slide, which can feel refreshing or uncomfortable depending on who's doing it. Most people find themselves wanting **practical fixes over reassurance**, so expect less tolerance for vague promises and more demands for concrete plans and real results.

Thu, 20 Mar ♄ Chiron ☐ Square ☾ natal Moon

Fri, 21 Mar ☉ Sun enters ♈ Aries

Sun in *Aries* brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

Sun, 23 Mar ♀ Venus enters ♈ Aries

Full Moon in Virgo

♅ Pluto ♂ Conjunction ♄ natal Saturn

♄ Saturn ☐ Square ♿ natal Mercury

Venus in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.
