♁ North Node	in	♈ Aries	27°16'48"	II Rx
♁ Lilith	in	♊ Gemini	11°32'35"	IV

#### KEY TRANSIT FACTORS

##### ♁ NNode ☐ Square ♀ natal Venus · peak 31 Jan ★

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

##### ♁ NNode ☐ Square ☾ natal Moon · peak 1 Jan ★

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

##### ♅ Uranus ★ Sextile ♆ natal Neptune · peak 21 Jan

You find yourself **more willing to experiment with creative ideas** that normally feel too risky or unconventional. Your intuition is working alongside practical thinking right now, so you can actually move forward on projects that blend imagination with real results. Over the coming weeks, you're likely to spot opportunities that others miss because you're comfortable holding two different perspectives at once.

##### ♄ Chiron ☐ Square ♁ natal NNode · peak 20 Jan

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

##### ♅ Uranus ☐ Square ♄ natal Saturn · peak 31 Jan

You feel a strong urge to break free from rules and structures you have relied on, even though loosening them creates real practical problems. **You become impatient with anything that feels restrictive**, whether it's a job routine, a commitment, or a financial plan you built carefully. Over the coming weeks, this friction between your need for stability and your need for change will push you to make decisions you have not fully thought through, and you will likely feel the consequences in your responsibilities or reputation.

##### ♅ Uranus △ Trine ♇ natal Pluto · peak 21 Jan

You find yourself **taking practical action on changes you've wanted to make** without getting stuck in overthinking or self-doubt. This period brings a natural confidence that old patterns no longer serve you, so you move forward with less resistance than usual. Over the coming weeks, you're more likely to follow through on those shifts you've been planning instead of just talking about them.

### ♁ NNode ♂ Conjunction ♁ natal NNode · peak 20 Jan

You feel drawn toward people and situations that align with what you actually want, rather than what you think you should want. Your social instincts sharpen right now, and you **notice which relationships and opportunities feel genuinely important** versus which ones drain you. Over the coming weeks, you're likely to make clearer choices about where you spend your time and energy.

### ♅ Pluto ∟ Semi sextile ♂ natal Mars · peak 11 Jan

Over the coming weeks, you'll notice a quiet **steadiness building underneath your actions**, as if you're becoming more deliberate about where you spend your effort. Small projects that felt stuck suddenly move forward because you're not forcing them anymore—you're working with what actually works. This calm persistence is temporary, but while it lasts you can accomplish practical things without the usual friction.

### ♄ Saturn ♂ Opposition ♂ natal Mars · peak 23 Jan

Right now you're running into real resistance whenever you try to push forward with your plans. Your usual drive feels blocked or slowed down, and what normally comes easily now requires twice the effort and planning. **You're learning that not everything can be forced**, and this frustration is the teacher—but it's an uncomfortable lesson that lasts weeks.

### ♄ Saturn ♂ Conjunction ♀ natal Venus · peak 3 Jan

You are more cautious about what you want from people right now, and you may pull back from social situations that feel superficial or demanding. Your **standards for who and what you let close become stricter**, which can feel isolating but also clarifies what actually matters to you. Over the coming weeks, relationships either deepen through honest conversation or naturally fade as you stop overextending yourself.

### ♆ Neptune △ Trine ♄ natal Chiron · peak 31 Jan

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

### ♄ Chiron ♂ Opposition ♀ natal Venus · peak 1 Jan

You are noticing flaws in people you care about that you usually overlook, and it makes you question whether the relationship is worth the effort. **Your affection feels conditional right now**, and you may withdraw or become critical without meaning to. Over the coming weeks, this friction is forcing you to decide what you actually need from the people in your life instead of just going along with things.

### ♅ Pluto ♂ Quincunx ♀ natal Venus · peak 31 Jan

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

### ♄ Saturn △ Trine ♃ natal Jupiter · peak 31 Jan

Right now you find it easier to **follow through on what you say you'll do**, and people notice the reliability. Your practical judgment improves, so you can spot the difference between a good opportunity and wishful thinking. Over the coming weeks, this steadiness lets you build something real instead of chasing every new idea that appeals to you.

### ♃ Jupiter △ Trine ☉ natal Sun · peak 31 Jan

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

### ♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

## PROGRESSED MOON

---

- Progressed Moon in ♈ Aries 5.6° H1
- Progressed Moon △ Trine ♄ natal Saturn
- Progressed Moon □ Square ♆ natal Neptune
- Progressed Moon ⋈ Quincunx ♅ natal Pluto

## LUNATIONS

---

● New Moon · Tuesday, 11 Jan

in ♄ Capricorn

long-term goals, ambition, structural reset

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

○ Full Moon · Tuesday, 25 Jan

in ♌ Leo

recognition, drama, creative culmination

in H6 — Health & Service

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

#### KEY DATES

Sat, 1 Jan ♄ Chiron ♂ Opposition ♀ natal Venus

Mon, 3 Jan ♄ Saturn ♂ Conjunction ♀ natal Venus

Mon, 10 Jan ♀ Mercury enters ♄ Capricorn

♀ Venus enters ♄ Capricorn

♄ Saturn ♂ Conjunction ♀ natal Venus

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Tue, 11 Jan New Moon in Capricorn

Thu, 20 Jan ☉ Sun enters ♒ Aquarius

♄ Chiron ☐ Square ♃ natal NNNode

♃ NNNode ♂ Conjunction ♃ natal NNNode

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Fri, 21 Jan ♂ Uranus ✕ Sextile ♆ natal Neptune

♄ Uranus △ Trine ♇ natal Pluto

Sun, 23 Jan ♄ Saturn ♂ Opposition ♂ natal Mars

♆ Neptune △ Trine ♄ natal Chiron

Tue, 25 Jan Full Moon in Leo

Sun, 30 Jan ♀ Mercury enters ♒ Aquarius

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Mon, 31 Jan ♂ Uranus ☐ Square ♄ natal Saturn

♃ NNNode ♂ Conjunction ♃ natal NNNode

♆ Neptune △ Trine ♄ natal Chiron

♄ Chiron ☐ Square ♃ natal NNNode
