KEY TRANSIT FACTORS

♁ NNode ☐ Square ♀ natal Venus · peak 10 Mar ★

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

♂ Mars ♂ Opposition ♀ natal Venus · peak 13 Mar ★

Right now you're more **irritable in close relationships** and harder to please about how people treat you. You might pick fights over small things or feel like no one is giving you what you need, which pushes others away just when you want connection. These days the gap between what you want and what's actually happening feels wider, so patience with your partner or people you care about is wearing thin.

♂ Mars ☐ Quincunx ☉ natal Sun · peak 6 Mar ★

Over the coming weeks, you may notice your usual way of taking action feels slightly off or requires more effort than normal. You might start a task with confidence but then need to adjust your approach midway through, or feel restless when your plans don't go exactly as you expect. This **mismatch between your drive and your direction** usually settles down once you accept that forcing things won't work—small changes in strategy will.

♄ Saturn ☐ Quincunx ♅ natal Uranus · peak 22 Mar

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

♁ Lilith ♂ Conjunction ♀ natal Venus · peak 12 Mar

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

♄ Chiron ♂ Opposition ☾ natal Moon · peak 7 Mar

Over the coming weeks, you feel more aware of emotional wounds you've been carrying, which can make you irritable with the people closest to you. Your usual ways of comforting yourself stop working as well, leaving you **restless and dissatisfied** with your routines and relationships. This discomfort is real, but it's pushing you to look honestly at what you actually need instead of what you've settled for.

♃ Jupiter △ Trine ♄ natal Chiron · peak 21 Mar

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♇ Pluto ⚡ Quincunx ♀ natal Venus · peak 27 Mar

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♄ Saturn ∟ Semi sextile ☉ natal Sun · peak 22 Mar

Right now you find it easier to follow through on commitments without burning out, because a quiet steadiness is backing your efforts. Your confidence stays realistic instead of swinging between overconfidence and doubt, which means you make **fewer impulsive decisions** and actually stick to what matters. This is a practical window where showing up consistently—at work, in your relationships, or on personal goals—feels natural and manageable rather than forced.

♆ Neptune △ Trine ♄ natal Chiron · peak 1 Mar

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

♁ NNode □ Square ♂ natal Mars · peak 31 Mar

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

♄ Saturn △ Trine ♃ natal Jupiter · peak 1 Mar

Right now you find it easier to **follow through on what you say you'll do**, and people notice the reliability. Your practical judgment improves, so you can spot the difference between a good opportunity and wishful thinking. Over the coming weeks, this steadiness lets you build something real instead of chasing every new idea that appeals to you.

♇ Pluto ∟ Semi sextile ♂ natal Mars · peak 1 Mar

Over the coming weeks, you'll notice a quiet **steadiness building underneath your actions**, as if you're becoming more deliberate about where you spend your effort. Small projects that felt stuck suddenly move forward because you're not forcing them anymore—you're working with what actually works. This calm persistence is temporary, but while it lasts you can accomplish practical things without the usual friction.

♅ Uranus △ Trine ♀ natal Mercury · peak 31 Mar

Your thinking becomes sharper and more original right now, and you find yourself spotting solutions that other people miss. You're willing to question old assumptions and try new approaches, which makes you **unusually flexible in conversations and problem-solving**. This is a good window to pitch ideas, learn something outside your normal interests, or tackle a complicated project that needs fresh perspective.

♅ Uranus □ Square ♄ natal Saturn · peak 1 Mar

You feel a strong urge to break free from rules and structures you have relied on, even though loosening them creates real practical problems. **You become impatient with anything that feels restrictive**, whether it's a job routine, a commitment, or a financial plan you built carefully. Over the coming weeks, this friction between your need for stability and your need for change will push you to make decisions you have not fully thought through, and you will likely feel the consequences in your responsibilities or reputation.

♃ Jupiter Rx · ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

LUNATIONS

● New Moon · Thursday, 10 Mar

in ♋ Pisces

intuitive reset, release, spiritual renewal

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

○ Full Moon · Friday, 25 Mar

in ♎ Libra

relationship peak, fairness, decision point

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

KEY DATES

Tue, 1 Mar ♆ Neptune △ Trine ♃ natal Chiron

♄ Saturn △ Trine ♃ natal Jupiter

Sat, 5 Mar ☿ Mercury enters ♈ Aries

Mercury in Aries makes people **speak more directly** and skip the small talk they normally use. At work or in conversations, you'll notice folks **jump to conclusions faster** and interrupt more often because they want answers now instead of waiting. In practice, this means **quicker decisions** happen in meetings and texts become blunter, which can clear things up fast but also create friction if people aren't ready for that straight talk.

Mon, 7 Mar ♄ Chiron ♂ Opposition ♀ natal Moon

Thu, 10 Mar New Moon in Pisces

♁ NNode □ Square ♀ natal Venus

Sat, 12 Mar ♃ Lilith ♂ Conjunction ♀ natal Venus

Mon, 14 Mar ♄ Chiron ♂ Opposition ♀ natal Moon

♆ Neptune △ Trine ♃ natal Chiron

Sun, 20 Mar ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Mon, 21 Mar ☉ Sun enters ♈ Aries

♂ Mars enters ♒ Aquarius

♃ Jupiter △ Trine ♃ natal Chiron

♁ NNode □ Square ♀ natal Venus

♃ Lilith ♂ Conjunction ♀ natal Venus

Sun in Aries brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

Tue, 22 Mar ♄ Saturn stations Direct

Saturn turning direct means **stuck decisions and delayed projects** can finally move again after months of standing still. What felt unclear or blocked in your work, finances, or long-term plans becomes **clearer and actionable** as *Saturn* pushes forward. The pattern most people notice is **real progress on what matters** — whether that's getting a commitment from someone, finishing something you started, or seeing results from hard work you put in during the retrograde.

Wed, 23 Mar ♀ Venus enters ♈ Aries

Venus in Aries tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions**

and less time spent on small talk or people-pleasing.

Fri, 25 Mar Full Moon in Libra

Sun, 27 Mar ♅ Pluto stations Retrograde

When *Pluto* stations retrograde, expect **delays or reversals** in situations involving power, money, or control — contracts may stall, workplace dynamics shift, or financial decisions get reconsidered. *Pluto* retrograde typically brings **hidden information to light**, so old problems resurface and you notice patterns you missed before, especially around who has influence over what. Over the next months, **internal work matters more than external action** — pushing hard on big changes usually backfires, but reviewing past choices and adjusting your approach actually works.
