♁ Chiron	in	♈ Aries	5°40'23"	IX
♁ North Node	in	♋ Pisces	27°25'37"	IX Rx
♁ Lilith	in	♋ Cancer	7°08'35"	XII

KEY TRANSIT FACTORS

♀ Venus ☐ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

☿ Mercury ☐ Square ♀ natal Venus

Right now your words and your feelings are out of sync, so you say things that hurt people you care about without meaning to. You notice **blunt honesty replacing your usual tact**, and conversations that should feel warm come across as cold or critical instead. Over the coming weeks, pay attention to how quickly you speak before checking whether what you're saying matches what you actually feel.

♅ Uranus * Sextile ♇ natal Pluto

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

♄ Saturn ☌ Conjunction ♇ natal Pluto

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

♃ Jupiter ☐ Square ☿ natal Mercury

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

☾ Moon ☌ Opposition ☿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

› Moon ✱ Sextile ♂ Uranus

These days you feel more willing to try something different without the usual fear holding you back. Your emotional reactions are quicker and sharper, letting you spot solutions that seem obvious once you see them. **You act on impulses in practical ways** — calling someone you've been meaning to reach out to, rearranging your space, or saying what you actually think — and it lands well with people around you.

› Moon ∟ Semi sextile ♆ Neptune

These days you find it easier to **pick up on what others actually need** rather than what they say they need. Your emotional radar is working well, and people around you feel understood without having to explain everything. This *Moon* and *Neptune* connection creates a practical advantage: you can respond to unspoken requests and offer support that lands just right.

LUNAR DAY

Moon in ♑ Capricorn · Day 14 / 30 · Waxing Gibbous

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Aries

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
