## KEY TRANSIT FACTORS

### ♃ Jupiter ☐ Square ♁ natal Chiron

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

### ♇ Pluto qx Quincunx ☾ natal Moon

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

### ♆ Neptune qx Quincunx ☾ natal Moon

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

### ☉ Sun △ Trine ♆ natal Neptune

Right now you find it easier to **stay calm when things are uncertain**, and people notice you seem more relaxed and approachable. Your imagination is working well for practical things, so creative problems at work or home feel less stuck than usual. These days your social interactions flow without effort, and you're picking up on what others need without them having to spell it out.

### ☉ Sun △ Trine ♊ natal NNode

Right now you find yourself **naturally drawn toward conversations and situations that feel aligned with who you are**. People respond to your straightforward confidence, and opportunities seem to show up with less effort on your part. Over the coming weeks, trust what feels genuinely right instead of second-guessing yourself.

### ♃ Jupiter Rx · ♄ Capricorn

Ambitions and long-term structures built on optimistic assumptions are being tested right now. Career growth or institutional commitments that seemed on track may require more realistic adjustment than you had planned. Reviewing what is genuinely working in your long-term strategy before continuing to build is the most productive use of this period.

### ☉ Sun qx Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☾ Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

LUNAR DAY

Moon in ♈ Aries · Day 21 / 30 · Waning Gibbous

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
