KEY TRANSIT FACTORS

♁ NNode ☿ Conjunction ☉ natal Sun

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

♂ Mars ☿ Quincunx ♃ natal Jupiter

Over the coming weeks, you're likely to feel **restless about your own plans and impatient with delays**, even when things are actually moving forward. *Mars* is pushing you to act faster while *Jupiter* keeps pulling toward bigger thinking, so you end up frustrated that progress isn't matching your drive. The practical fix is to break large goals into smaller actions you can complete right now instead of waiting for the perfect moment.

♅ Uranus ☿ Conjunction ♂ natal Mars

You feel a sudden urge to break your normal routine and try things you wouldn't usually risk. Your usual way of handling frustration stops working, and you become **impatient with anything that feels slow or restrictive**. These days you're more likely to act on impulse, so decisions that normally take you weeks might happen in a few hours.

♁ NNode ♌ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

☿ Mercury ♌ Trine ♀ natal Venus

Right now you find it easier to say what you actually mean, and people respond well to your words because you sound genuine and warm. You're naturally bringing up topics you care about without overthinking them, and conversations flow toward connection instead of conflict. This is a good time to have difficult talks with someone close to you, since you can express yourself **thoughtfully and with real affection** at the same time.

☿ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

☉ Sun ♏ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ♂ Conjunction ♃ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

LUNAR DAY

Moon in ♐ Sagittarius · Day 28 / 30 · Waning Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
