## KEY TRANSIT FACTORS

### ♁ NNode ♂ Conjunction ☉ natal Sun

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

### ☿ Mercury ♂ Conjunction ♂ natal Mars

Your mind is moving faster than usual right now, and you're more **direct and blunt in conversation** without meaning to offend. You say what you think immediately instead of filtering, which can help you cut through confusion but also create friction with people who prefer a gentler approach. Over the coming weeks, you'll notice you have more mental drive for arguments and debate, so use it on problems that actually need solving rather than picking fights.

### ♅ Uranus △ Trine ♀ natal Venus

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

### ♅ Uranus ♂ Conjunction ♂ natal Mars

You feel a sudden urge to break your normal routine and try things you wouldn't usually risk. Your usual way of handling frustration stops working, and you become **impatient with anything that feels slow or restrictive**. These days you're more likely to act on impulse, so decisions that normally take you weeks might happen in a few hours.

### ☿ Mercury △ Trine ♀ natal Venus

Right now you find it easier to say what you actually mean, and people respond well to your words because you sound genuine and warm. You're naturally bringing up topics you care about without overthinking them, and conversations flow toward connection instead of conflict. This is a good time to have difficult talks with someone close to you, since you can express yourself **thoughtfully and with real affection** at the same time.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

### ☉ Sun ♂ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

### ☉ Sun \* Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between *Sun* and *Pluto* means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.

#### LUNAR DAY

---

Moon in ♒ Aquarius · Day 4 / 30 · Waxing Crescent

**Emotional detachment increases** these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
