KEY TRANSIT FACTORS

♀ Venus ☌ Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **what you want socially or romantically no longer matches what actually satisfies you**, leaving you feeling oddly restless even when things are going well. You might find yourself questioning a relationship or friendship more critically than usual, spotting problems you'd overlooked before. This mismatch between your surface desires and your deeper needs is temporary, but it's real right now, and it usually means something in your social world needs honest adjustment.

♊ NNode * Sextile ☿ natal Mercury

Over the coming weeks, you find it easier to say what you actually think instead of holding back. Your conversations feel more natural and people seem to listen better when you speak. This period supports **clearer communication**, especially about topics that matter to you, as *the North Node* smooths the way for *Mercury* to work at its best.

♅ Uranus ☐ Square ♃ natal Jupiter

Right now you are restless with your current plans and want to scrap them for something completely different, even when things are working reasonably well. You feel **impatient with limits** and may make sudden decisions about money, education, or travel that you have not fully thought through. Over the coming weeks, impulsive moves could create real practical problems that take time to fix.

♅ Uranus ∟ Semi sextile ♆ natal Neptune

Your **imagination becomes more practical** during this period, letting you turn vague ideas into actual plans without losing the creative spark. You find yourself spotting small improvements in routines or systems that others miss, and these tweaks often work better than expected. This is a good time to experiment with new approaches to familiar problems because your intuition and logical mind are working together instead of pulling in different directions.

♅ Uranus ☐ Square ♊ natal NNode

You feel restless about the direction you have been heading and suddenly want to break away from familiar patterns, even though people around you expect you to stay the course. This **urge to rebel against your own commitments** creates real friction in your relationships and work right now. Over the coming weeks, you will need to figure out whether you are running from something real or just chasing change for its own sake.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♐ Sagittarius · Day 22 / 30 · Waning Gibbous
