KEY TRANSIT FACTORS

♊ NNode ☉ Opposition ♂ natal Uranus ★

Right now you are caught between wanting to rebel against your routine and feeling pressure to stick with what works, which creates real friction in your decisions. **You swing between sudden urges to change direction and anxiety about losing stability**, making it hard to commit to anything. Over the coming weeks, people around you may find you unpredictable or erratic, because you genuinely do not know which version of yourself will show up.

♊ NNode ★ Sextile ☾ natal Moon ★

These days you're naturally **more comfortable opening up to people** about what you actually feel instead of keeping things hidden. Your emotional honesty tends to create real connection rather than awkwardness, and others respond by being honest back. Over the coming weeks, this straightforward way of relating makes your relationships feel less exhausting and more genuine.

♆ Neptune ☐ Square ♁ natal Chiron

Right now you are **ignoring practical warning signs** about where you are vulnerable or need real help. Your instinct is to downplay your limits or pretend problems will fix themselves, which leaves you exposed to mistakes you could have prevented. Over the coming weeks, reality will force you to stop dodging what needs attention and actually face how you can protect yourself.

☉ Sun ☒ Quincunx ☾ natal Moon

These days you feel slightly out of step between what you want to do and what you actually need emotionally. Your **restlessness shows up as difficulty settling into routines** that normally comfort you, like your usual sleep schedule or time with close people. Over the coming weeks, small adjustments to how you organize your day will help you feel more aligned with yourself.

♀ Venus ☒ Quincunx ♀ natal Venus

Over the coming weeks, you might feel slightly off about what usually makes you happy, whether that's social time, physical affection, or how you spend money. You may become **restless with familiar routines** and find yourself wanting something different without quite knowing what. This awkward feeling typically pushes you to adjust how you approach relationships or self-care rather than change them completely.

☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun △ Trine ♄ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

☉ Sun ⚡ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ♂ Conjunction ♀ Mercury

These days your thoughts and feelings are moving in the same direction, which makes it easier to talk about what you actually feel instead of hiding it. You find yourself wanting to tell people what's on your mind, and the words come out more naturally than usual. This is a good time to have practical conversations about emotional topics, since you're not overthinking or getting stuck in your head.

LUNAR DAY

Moon in ♏ Scorpio · Day 1 / 30 · New Moon
