KEY TRANSIT FACTORS

♄ Saturn ☐ Square ♅ natal Uranus

Right now you feel trapped between what you want to do and what you have to do, and the frustration builds quickly. You become **irritable when anyone or anything blocks your independence**, and you may act out impulsively just to prove you're in control. Over the coming weeks, real responsibilities will keep colliding with your need for freedom, forcing you to make hard choices about what actually matters.

☾ Moon ☉ Opposition ☿ natal Mercury

Right now your **thoughts feel scattered and hard to organize**, making it difficult to communicate what you actually mean to others. People around you may misunderstand your words or get frustrated because you're not explaining yourself clearly. Over the coming weeks, pay close attention to what you say before you say it, because your usual ability to think things through is temporarily offline.

♄ Saturn ☿ Quincunx ☾ natal Moon

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

♀ Venus ☉ Opposition ♀ natal Venus

You're likely to feel **dissatisfied with your relationships and how others treat you** right now, even if nothing has actually changed. What you normally accept from your partner or friends suddenly feels unfair or emotionally off. These days your own needs feel invisible, and you may swing between giving too much and withdrawing entirely.

♁ Chiron ☉ Conjunction ♁ natal Lilith

Right now you are more aware of how you reject parts of yourself that don't fit what you think you should be. You notice **where you push away your own needs** to keep the peace or look acceptable to others. Over the coming weeks, this awareness can help you see these patterns clearly, though it may feel uncomfortable at first.

♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

☉ Sun ∠ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

› **Moon ∟ Semi sextile ☿ Mercury**

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

› **Moon ✳ Sextile ♀ Venus**

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

LUNAR DAY

Moon in ♏ Sagittarius · Day 2 / 30 · New Moon

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.
