## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♀ natal Venus

Right now you're feeling more **naturally affectionate and open with people around you**, which makes conversations easier and warmer than usual. Your emotional needs and what you actually want from relationships are lining up for once, so you're less likely to hide what matters to you or settle for less. Over the coming weeks, this alignment makes it simpler to ask for what you need and to show care without overthinking it.

### ♊ NNode \* Sextile ♂ natal Mars

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

### ♆ Neptune ∠ Semi sextile ♂ natal Mars

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

### ☉ Sun ♂ Conjunction ♊ natal NNode

Right now you are **more willing to step into situations that feel slightly unfamiliar**, whether that's speaking up in a group, trying a new activity, or saying yes to something you would normally decline. Your confidence is higher than usual, and people around you are responding to that shift in how you carry yourself. Over the coming weeks, pay attention to what kinds of opportunities you naturally gravitate toward, because they often point to what you actually want to develop.

### ♀ Venus △ Trine ☿ natal Mercury

Right now you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond well to your words because you're speaking with warmth and directness at the same time, which makes conversations flow naturally. Over the coming weeks, this is a good window to have the conversations you've been putting off or to pitch ideas you've been sitting with.

### ☉ Sun ♂ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.
