KEY TRANSIT FACTORS

☉ Sun △ Trine ♇ Pluto ★

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

♀ Venus △ Trine ♄ natal Saturn

Right now you find it easier to be **reliable and steady in your relationships**, and people notice. Your tendency to follow through on commitments feels natural rather than forced, which builds real trust with the people around you. These practical demonstrations of care—showing up, being consistent, keeping your word—actually deepen your connections more than grand gestures ever could.

♆ Neptune □ Square ♀ natal Venus

Right now you are **drawn to people and situations that are not what they seem**, and you will likely regret the time and money you invest in them. *Neptune* is blurring your judgment about what you actually want from relationships and what others can realistically give you. Over the coming weeks, pay close attention to the gap between the promises people make and what they actually deliver, because your usual ability to read a situation is temporarily offline.

♂ Mars □ Square ☾ natal Moon

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

☾ Moon □ Square ☾ natal Moon

Right now your **moods are harder to predict and manage**, making it difficult to know what you'll feel from one hour to the next. People close to you may seem off or demanding in ways that irritate you more than usual, and you might find yourself defensive instead of open. Over the coming weeks, this restless feeling will push you to notice what you actually need emotionally, even if the process feels uncomfortable.

♁ Chiron * Sextile ☾ natal Moon

Right now you find it easier to talk about things that usually upset you, and people actually listen instead of dismissing your feelings. Your **emotional honesty** becomes something others trust rather than fear, and that creates real closeness in your relationships. This window won't last forever, so these are good weeks to have the conversations you've been putting off.

♄ Saturn Rx · ♋ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☍ Opposition ♁ NNode

Right now you are **pulled between what feels safe and what pushes you forward**, and this friction makes decision-making harder than usual. You notice yourself either clinging to familiar routines or suddenly abandoning them, without finding a middle ground that actually works. Over the coming weeks, this disconnect between your comfort zone and growth will keep surfacing in practical situations, forcing you to pick a direction instead of staying stuck.

LUNAR DAY

Moon in ♌ Leo · Day 4 / 30 · New Moon

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
