KEY TRANSIT FACTORS

♂ Mars △ Trine ♀ natal Venus ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

☾ Moon □ Square ♇ natal Pluto

You feel emotionally raw right now, and small frustrations hit harder than they normally do. Your impulse to control situations around you gets stronger, even though pushing usually makes things worse. These days you are likely to pick fights or withdraw completely, so watch for both patterns and try to sit with discomfort instead of acting on it.

♇ Pluto * Sextile ♃ natal Jupiter

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

♇ Pluto ☾ Opposition ☉ natal Sun

Right now you feel like people are questioning your authority or pushing back against decisions you would normally make without hesitation. You may find yourself **defensive about who you are**, or noticing that your usual confidence in your own judgment has become shaky. Over the coming weeks, situations at work or in relationships will force you to examine whether you are actually as much in control as you thought you were.

♁ Lilith ♂ Conjunction ♀ natal Venus

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun □ Square ♁ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

› Moon ☌ Quincunx ☌ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

LUNAR DAY

Moon in ♊ Gemini · Day 16 / 30 · Full Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Aries

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
