## KEY TRANSIT FACTORS

### ♂ Mars △ Trine ♀ natal Venus ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

### ♅ Uranus △ Trine ☉ natal Sun ★

Over the coming weeks, you feel more willing to break your usual routines and try things differently without the anxiety that normally holds you back. You become **spontaneous and experimental** in how you approach your work, relationships, or personal projects, and these changes actually seem to work out well. *Uranus* trine your *Sun* gives you the confidence to be authentic and independent right now, so new opportunities show up when you stop forcing the old way of doing things.

### ♄ Saturn ∟ Semi sextile ♁ natal Chiron

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

### ♇ Pluto △ Trine ♊ natal NNode

You're finding it easier to let go of patterns that no longer fit your life, without the usual resistance or drama. **You can make practical changes to your direction** — whether that's in work, relationships, or how you spend your time — and they feel natural rather than forced. These shifts align with what you actually want to become, so you move forward with real conviction instead of second-guessing yourself.

### ☿ Mercury ∟ Semi sextile ♃ natal Jupiter

While this lasts, you find it easier to **see the bigger picture in conversations** and explain your ideas in ways that actually land with people. Your thoughts naturally connect to larger themes, so even casual discussions feel more meaningful and productive. Over the coming weeks, this mental clarity makes it simpler to learn new things and share what you know without overthinking it.

### ♀ Venus Rx · ♏ Scorpio

Deep-seated relationship patterns involving trust, control, or intimacy resurface during this period. Old jealousies, power imbalances, or unresolved emotional debts demand honest attention. What you have been avoiding about your closest connections is exactly what needs examination right now.

## ♄ Saturn Rx · ♓ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

### ☉ Sun ♂ Conjunction ♁ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

### ☾ Moon \* Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.
