## KEY DATE

### ♆ Neptune stations Retrograde

*Neptune* stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

## KEY TRANSIT FACTORS

### ☉ Sun △ Trine ♇ natal Pluto ★

You're able to see through situations right now and spot what actually matters instead of getting distracted by surface details. This clarity gives you **quiet confidence** to make decisions you've been putting off, whether at work or in personal relationships. Over the coming weeks, people tend to trust what you say because you come across as genuinely straightforward.

### ♇ Pluto ♂ Conjunction ♂ natal Mars

You feel a sharp increase in your need to control situations and push your agenda forward, making you more confrontational than usual. At the moment, you're likely to act on frustrations you've been sitting with, and small disagreements can escalate quickly because you're not filtering your reactions. **This directness and intensity** can clear the air or damage relationships, depending on whether you're channeling it into practical problems or just venting anger.

### ♃ Jupiter ★ Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

### ♄ Saturn ∟ Semi sextile ♄ natal Saturn

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

### ♁ Chiron □ Square ♁ natal NNode

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

### ☉ Sun ☐ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

### ☾ Moon ☒ Quincunx ♿ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

### ☾ Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.
