## KEY TRANSIT FACTORS

### ♂ Mars △ Trine ♀ natal Venus ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

### ♀ Venus □ Square ♁ natal Chiron

Right now you're more aware of what you're not getting from the people close to you, and it stings more than usual. You might find yourself **withdrawing from social situations or feeling rejected** even when no one has actually hurt you. Over the coming weeks, this discomfort is pointing you toward recognizing where you've settled for less affection or respect than you actually need.

### ☿ Mercury △ Trine ♂ natal Mars

Your mind works faster than usual right now, and you naturally pick the most direct way to say what you think. You get things done without overthinking because your words and actions line up perfectly. This is a good time to have difficult conversations or push a project forward since you come across as clear and confident.

### ☉ Sun △ Trine ♂ natal Mars

Right now you're finding it easier to **act on what you actually want** instead of hesitating or second-guessing yourself. Your confidence in your own decisions is natural and steady, so tasks that normally feel like a push come through with real effort behind them. Over the coming weeks, you'll likely notice you're getting things done and people respond well to your direct, purposeful approach.

### ♃ Jupiter □ Square ♁ natal Chiron

Right now your **tendency to overestimate what you can fix** is causing real friction in your relationships and work. You are pushing too hard to solve problems that belong to other people, and they are pulling back or getting annoyed with your interference. Over the coming weeks, you will need to learn where your actual limits are by running into them repeatedly.

### ☉ Sun ☿ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

LUNAR DAY

Moon in ♋ Pisces · Day 17 / 30 · Full Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
