KEY TRANSIT FACTORS

☉ Sun △ Trine ♇ Pluto ★

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

☿ Mercury qx Quincunx ♇ natal Pluto

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

♁ Chiron * Sextile ♀ natal Venus

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

♆ Neptune qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♊ NNode □ Square ♂ natal Mars

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

♁ Chiron * Sextile ♂ natal Mars

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☾ Moon □ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

› Moon ☾ Quincunx ♃ Jupiter

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.
