KEY TRANSIT FACTORS

☾ Moon △ Trine ♀ natal Venus

Right now you're feeling more **naturally affectionate and open with people around you**, which makes conversations easier and warmer than usual. Your emotional needs and what you actually want from relationships are lining up for once, so you're less likely to hide what matters to you or settle for less. Over the coming weeks, this alignment makes it simpler to ask for what you need and to show care without overthinking it.

♄ Saturn □ Square ♂ natal Mars

Right now you're running into delays and resistance whenever you try to push forward on anything. Your usual speed and confidence feel blocked, and you may notice **frustration building because things take twice as long as you expect**. This period is teaching you that forcing your way through doesn't work, though that lesson feels uncomfortable while you're living it.

☿ Mercury ∟ Semi sextile ♇ natal Pluto

While this lasts, you naturally ask better questions when something feels off, and people respond by being more honest with you. Your mind works at **spotting what's really going on beneath the surface**, whether in a conversation or a situation, without needing to force it. This gives you an edge in problem-solving and helps you understand others more clearly over the coming weeks.

♀ Venus ♂ Opposition ♄ natal Saturn

Right now you feel **rejected or less attractive**, even when that is not actually happening around you. Your self-doubt makes you withdraw from social situations or pull back from people you care about. Over the coming weeks, this pattern can become self-fulfilling unless you recognize that your fear of rejection is doing the rejecting for you.

♆ Neptune qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♅ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☾ Moon ☿ Quincunx ♃ Jupiter

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.

LUNAR DAY

Moon in ♌ Leo · Day 26 / 30 · Last Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
