KEY TRANSIT FACTORS

☉ Sun △ Trine ♃ Jupiter ★

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

♁ NNode △ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

☉ Sun ☌ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

♄ Saturn ☌ Opposition ♁ natal NNode

Right now you feel **pulled backward into old patterns** when you try to move forward on anything meaningful. People around you seem to expect you to stay in a familiar role, and resisting them feels uncomfortable and isolating. Over the coming weeks you will need to choose between comfort and growth, and that choice will feel less like an opportunity and more like a real loss.

♂ Mars ★ Sextile ☉ natal Sun

Right now you feel **naturally motivated to get things done** without pushing yourself too hard. Your confidence is steady, and you tackle practical tasks at work or home with clear direction and follow-through. This is an ideal window to start a project or commit to something you've been thinking about, because your actions line up with what actually matters to you.

♄ Saturn ★ Sextile ♆ natal Neptune

Over the coming weeks, you find it easier to **turn your daydreams into actual plans**. Your imagination stays creative but your practical mind kicks in at the same time, so you can sketch out real steps instead of just feeling inspired. This is a good window to start that project you've been thinking about or to organize something that felt too vague before.

♃ Jupiter Rx · ♒ Aquarius

Ideas about social progress, collective improvement, and future-oriented goals turn inward during this period. Idealism that has been driving group efforts may need grounding in more concrete assessment. Reviewing rather than promoting your vision of how things could improve serves you better right now.

♿ Mercury * Sextile ♂ Mars

Right now you find it easier to speak up about what you actually want instead of holding back. Your words come out more direct and confident, and people tend to listen because you sound like you mean it. This is a good time to have difficult conversations or pitch ideas at work, since **your thinking and your drive are working together**.

♿ Mercury ♂ Conjunction ♄ Saturn

These days you're more likely to **think before you speak**, and conversations tend to be serious rather than light. Your mind feels slower and more careful, which means fewer mistakes in writing or planning but also less spontaneity in what you say. This is when practical decisions get made and difficult topics get discussed without drama.

LUNAR DAY

Moon in ♊ Gemini · Day 20 / 30 · Waning Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Aries

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
