## KEY DATE

### ♂ Mars enters ♍ Virgo

*Mars* in *Virgo* pushes you to focus your energy on **details and efficiency** rather than big dramatic moves, so you'll likely find yourself fixing things, organizing workspaces, or solving small problems that pile up. At work and in relationships, this transit brings a **critical eye** — people become more direct about what isn't working and more willing to **do the unglamorous tasks** that actually get results. When *Mars* lands here, impatience with sloppy work or vague plans shows up quickly, so **clear systems and practical action** tend to win over charm or wishful thinking.

## KEY TRANSIT FACTORS

### ☾ Moon ☌ Conjunction ♀ natal Venus

You feel more **affectionate and wanting to connect with people** right now, and others notice it too. Your social interactions become easier because you're genuinely interested in what matters to them and you show it. This is a natural window to repair relationships, spend time with people you care about, or simply enjoy being around others without the usual emotional distance.

### ♂ Mars ☌ Semi sextile ♁ natal Uranus

You feel a quiet urge to break small habits or try something different in your routine, and these days you're more willing to act on that impulse without overthinking it. This brings a **practical creativity** to your day-to-day life, where you spot shortcuts or smarter ways to handle tasks that usually feel tedious. Over the coming weeks, you'll likely find that small experiments stick around because they actually make your life easier, not because you're chasing novelty.

### ☿ Mercury ☌ Conjunction ☉ natal Sun

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

### ♃ Jupiter ☌ Opposition ♁ natal Uranus

Over the coming weeks, you're likely to feel **restless and impatient with rules or commitments that suddenly feel too tight**. You may make impulsive decisions about work, relationships, or finances that you'll regret once the initial excitement wears off. The practical cost of acting on every impulse right now is real, so slowing down before major changes will protect you from unnecessary damage.

### ♁ Uranus ☌ Opposition ♁ natal Uranus

Right now you're feeling restless with your current situation and want to break free from something, but you're not sure what or how to do it safely. You might push back against rules or routines that actually serve you, or make sudden changes that create more instability rather than solving real problems. **The unpredictability cuts both ways** — while you crave more freedom, you're also becoming less reliable to the people who depend on you, and that friction is hard to avoid over the coming weeks.

☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the Sun and Moon means you can move forward with both confidence and peace of mind.

☉ Sun ☌ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ☐ Square ♁ NNode

At the moment you feel **pulled between what you want emotionally and what you know you should do**. Your gut tells you to stay safe and repeat old patterns, but part of you senses those patterns are not working anymore. This clash makes you irritable and indecisive, and you may snap at people who are actually trying to help you move forward.

LUNAR DAY

Moon in ♈ Aries · Day 25 / 30 · Last Quarter
