## KEY TRANSIT FACTORS

### ☿ Mercury ☌ Semi sextile ♆ natal Neptune

Right now your mind is picking up on things you normally miss, and you're finding it easier to **connect the dots between different ideas**. Your conversations have a natural flow to them these days because *Mercury* and *Neptune* are working together to make your words feel intuitive and gentle. Over the coming weeks this can help you explain complicated feelings or understand what someone else really means beneath what they're saying.

### ☿ Mercury ☌ Quincunx ♁ natal NNode

Your mind is working at odds with what feels natural to you socially right now, making conversations feel slightly off or effortful. You might notice **a mismatch between what you want to say and how others are actually receiving it**, leaving you feeling like you have to adjust or repeat yourself more than usual. Over the coming weeks, pay attention to this friction instead of pushing through it — it's temporary and often signals where you need to slow down and listen more carefully.

### ☾ Moon ☌ Conjunction ♁ natal Lilith

These days you're more aware of what you actually want instead of what you think you should want, and you're less willing to hide or soften your real opinions. People around you might notice you're more direct, especially about boundaries or topics you normally avoid. This sharpness in how you communicate and what you're willing to say out loud will fade once the *Moon* moves on, but right now it's giving you a chance to see which of your relationships can handle the real you.

### ♆ Neptune \* Sextile ♄ natal Saturn

Right now you find it easier to **organize vague ideas into actual plans** without getting lost in details. Your practical side is working well with your imagination, so you can sketch out a direction and know roughly how to get there. Over the coming weeks, this steadiness means you can trust your instincts about which dreams are worth the effort.

### ☉ Sun ☌ Opposition ♁ natal Chiron

Right now you are more aware than usual of where you feel inadequate or broken, and this awareness can make you defensive or irritable with people close to you. You might **push others away just when you need support most**, or pick fights over small things that actually reflect your own self-doubt. This period asks you to notice this pattern without acting on it, but the discomfort will likely stick around for a few weeks while *the Sun* opposes your *Chiron*.

### ☉ Sun ☌ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

### ☉ Sun ☌ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

### ☉ Sun ☌ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.
