KEY TRANSIT FACTORS

☉ Sun ☿ Conjunction ☾ Moon ★

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☿ Mercury ☿ Quincunx ♀ natal Venus

Over the coming weeks, you may find it harder than usual to say what you actually want in conversations with people you care about. Your words come out awkwardly or you second-guess yourself mid-sentence, leaving you feeling **disconnected from how you're expressing affection or appreciation**. This mismatch between what you mean and what lands will likely fade once this period passes, so small clarifications now can prevent unnecessary confusion.

♄ Saturn △ Trine ♄ natal Chiron

Right now you are **more willing to sit with your own pain without needing to fix it immediately**, which lets you actually learn from past hurts instead of just moving past them. This practical acceptance means you can talk about difficult experiences with less defensiveness and help others do the same. Over the coming weeks, what once felt raw or tender becomes something you can work with directly.

♂ Mars △ Trine ☾ natal Moon

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

☾ Moon ☿ Quincunx ♀ natal Venus

Right now your emotional needs and what you want from relationships are pulling in different directions, and you feel the mismatch. You might feel **restless in social situations** or notice you're not getting satisfaction from the usual things that comfort you. Over the coming weeks, this awkwardness will fade, but for now it's worth noticing what feels off instead of forcing connection.

☿ Mercury ∟ Semi sextile ♂ natal Mars

Your thoughts are moving faster than usual right now, and you're picking up on details that normally slip past you. You find yourself more **decisive in conversation**, able to speak up about what you want without overthinking it. This is a good window to tackle practical problems or have direct talks you've been putting off, because your mind and your drive are working together smoothly.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ★ Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

LUNAR DAY

Moon in ♏ Scorpio · Day 30 / 30 · Waning Crescent

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
