♋ North Node	in	♓ Pisces	27°25'37"	IX Rx
♁ Lilith	in	♋ Cancer	7°08'35"	XII

KEY TRANSIT FACTORS

♋ NNode ☍ Opposition ♋ natal NNode

Right now you are pulled in opposite directions between what feels safe and what feels necessary, making it hard to move forward on anything. You might notice yourself **hesitating before decisions** or second-guessing commitments you normally would make without question. These days the gap between where you are and where you want to be feels especially frustrating, and that friction is what forces you to actually examine whether your direction is honest.

♋ NNode * Sextile ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♇ Pluto ∟ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice a quiet **steadiness building underneath your actions**, as if you're becoming more deliberate about where you spend your effort. Small projects that felt stuck suddenly move forward because you're not forcing them anymore—you're working with what actually works. This calm persistence is temporary, but while it lasts you can accomplish practical things without the usual friction.

☾ Moon ☍ Conjunction ☿ natal Mercury

Your thoughts feel more connected to what you're actually feeling right now, making conversations easier and more honest. You'll notice you're **talking more openly about personal things** and people seem to understand you better without needing explanations. Over the coming weeks, this natural flow between your mind and emotions will fade, so use it while you have it to sort out anything you've been holding back.

♋ NNode ☍ Conjunction ♃ natal Jupiter

Right now you're drawn to say yes to more opportunities than usual, and people respond well when you do. You feel more confident about your own opinions and less worried about being wrong, which makes you speak up in conversations where you'd normally stay quiet. Over the coming weeks, this confidence can help you move forward on something you've been hesitant about, though it's worth checking if you're overestimating what you can actually take on.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☿ Sun ♂ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

☿ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

LUNAR DAY

Moon in ♊ Gemini · Day 16 / 30 · Full Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Aries

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
