KEY DATE

♀ Venus enters ♈ Aries

Venus in Aries tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

KEY TRANSIT FACTORS

♇ Pluto △ Trine ☉ natal Sun ★

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

♃ Jupiter □ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♄ Saturn △ Trine ☉ natal Sun

Right now you find it easier to **follow through on what matters to you**, and people notice the difference in your reliability. Your practical sense is sharp, so you can see which goals are actually worth your time and which ones to drop without guilt. Over these coming weeks, you're building real credibility because you do what you say you will do.

♄ Saturn △ Trine ♃ natal Jupiter

Right now you find it easier to **follow through on what you say you'll do**, and people notice the reliability. Your practical judgment improves, so you can spot the difference between a good opportunity and wishful thinking. Over the coming weeks, this steadiness lets you build something real instead of chasing every new idea that appeals to you.

♊ NNode □ Square ♁ natal Chiron

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☌ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☉ Sun ☌ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

LUNAR DAY

Moon in ♌ Leo · Day 14 / 30 · Waxing Gibbous

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
