KEY TRANSIT FACTORS

♃ Jupiter ☌ Conjunction ♆ natal Neptune · peak 13 Dec

Over the coming weeks, you may find yourself **more willing to believe in possibilities that seem unlikely**, and this can work for you or against you depending on what you're pursuing. Your practical judgment softens right now, making you generous with money and optimistic about future outcomes in ways that feel good but may not be realistic. If you're starting something new, channel this confidence into concrete steps rather than letting it stay as wishful thinking.

♆ Neptune ☐ Square ♃ natal Jupiter · peak 3 Dec

Right now you are **overestimating what you can achieve** and making commitments based on wishful thinking instead of realistic assessment. Your usual confidence in your plans is being clouded by *Neptune*, so promises you make or goals you set are likely to fall apart once you try to execute them. Over the coming weeks, expect practical disappointment and the need to scale back or rebuild what you've rashly agreed to.

♅ Uranus △ Trine ♄ natal Chiron · peak 10 Dec

Right now you find it easier to **talk about things that usually stay hidden**, and people respond well when you do. Your practical understanding of what went wrong in past situations sharpens, letting you explain your own patterns without judgment. Over the coming weeks this shift in clarity can help you move through old hurts in a straightforward way rather than getting stuck in them.

♃ Jupiter * Sextile ♅ natal Uranus · peak 26 Dec

You feel more **willing to try new approaches** to problems that have stalled, and practical opportunities show up that wouldn't have occurred to you before. Your natural caution loosens just enough to let you act on ideas you'd normally dismiss as too risky or unconventional. Over the coming weeks, this openness pays off in concrete ways—whether that's a new connection, a different way of working, or simply discovering that change is less frightening than you thought.

♄ Saturn ☌ Opposition ♄ natal Saturn · peak 21 Dec

You're running into **resistance from people in authority or from your own past commitments** right now, and it feels like the ground is shifting under you. What used to work—your routines, your long-term plans, the way you've always managed things—suddenly feels outdated or too restrictive. Over the coming weeks, you'll need to rebuild your approach to discipline and responsibility, which means letting go of some habits that no longer serve you, even though that discomfort is real and legitimate.

♃ Jupiter △ Trine ♁ natal NNode · peak 13 Dec

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you instead of second-guessing yourself. **You pursue what matters to you with more confidence**, whether that is a new skill, a social group, or a professional direction. These doors open partly because you are actually asking for what you want, and people tend to respond well to that clarity.

♃ Jupiter ☌ Opposition ♌ natal Moon · peak 24 Dec

Right now you're likely feeling **emotionally restless and dissatisfied** with your current situation, even when things are objectively fine. You may overcommit yourself or make promises you can't keep because you're chasing something bigger without checking what you actually need. Over the coming weeks, your impatience with small comforts or familiar routines could strain your closest relationships if you're not honest about what's driving this urge to escape.

♃ Jupiter ☌ Opposition ☉ natal Sun · peak 5 Dec

Right now you are running into people and situations that directly challenge what you believe about yourself. You feel **pulled in opposite directions** — one part of you wants to expand and take on more, while another part doubts whether you can actually deliver. Over the coming weeks, this friction is likely to expose where you've been overestimating your capabilities or making promises you can't keep.

♃ Jupiter * Sextile ♃ natal Jupiter · peak 7 Dec

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

♄ Saturn ∟ Semi sextile ♅ natal Uranus · peak 1 Dec

These days you find it easier to act on your unconventional ideas without feeling rushed or reckless about them. Your **natural caution helps you test new approaches before committing fully**, which means your experiments with different ways of doing things actually stick around. Over the coming weeks, this steadier pace lets you build something real from the innovations you've been wanting to try.

♆ Neptune ∟ Semi sextile ♆ natal Neptune · peak 31 Dec

Your **intuition about people feels unusually reliable** right now, and you find yourself noticing things others miss in conversations and social situations. You're picking up on subtle emotional cues without trying, which makes you more naturally attuned to what others actually need rather than what they say they need. This quiet perceptiveness helps you connect with people in a genuine way and gives your relationships a softer, more understanding quality over these coming weeks.

♆ Neptune □ Square ♁ natal NNode · peak 31 Dec

Right now you are **second-guessing decisions you thought were settled**, especially about work or relationships that felt like the right direction. Your usual instinct for what matters to you becomes fuzzy, and you find yourself drawn to options that promise escape or easy answers instead of doing the real work. Over the coming weeks, you will probably feel frustrated by this confusion until you accept that clarity simply takes longer during this period.

♁ NNode □ Square ♄ natal Chiron · peak 1 Dec

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

♆ Neptune ♁ Quincunx ☉ natal Sun · peak 1 Dec

Over the coming weeks, you may feel **slightly out of step with your usual sense of direction**, as if the goals you normally pursue don't quite fit who you are right now. Your confidence in what you want gets fuzzy, and you might second-guess decisions you'd normally make without hesitation. This mismatch between who you think you should be and what actually matters to you will probably clear up once this *Neptune* influence passes.

♅ Pluto ♁ Quincunx ♌ natal Moon · peak 31 Dec

These days you feel like your emotions don't quite fit the situation, so you keep adjusting how you respond to people without really understanding why. Your instinct is to **control how much you show of yourself**, which can leave you feeling disconnected even in conversations that matter. Over the coming weeks, noticing this pattern of holding back will help you figure out what you actually need rather than just managing what others might think.

PROGRESSED MOON

- Progressed Moon ☌ Conjunction ♆ natal Neptune
- Progressed Moon △ Trine ♁ natal NNode

LUNATIONS

○ Full Moon · Wednesday, 1 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Wednesday, 15 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H6 — Health & Service

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

KEY DATES

Wed, 1 Dec Full Moon in Gemini

♊ NNNode □ Square ♄ natal Chiron

Fri, 3 Dec ♆ Neptune □ Square ♃ natal Jupiter

Fri, 10 Dec ♂ Mars enters ♒ Aquarius

♁ Uranus △ Trine ♄ natal Chiron

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

Sat, 11 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 12 Dec ♄ Saturn ♂ Opposition ♄ natal Saturn

Mon, 13 Dec ♀ Venus enters ♑ Capricorn

♃ Jupiter ♂ Conjunction ♆ natal Neptune

♃ Jupiter △ Trine ♊ natal NNNode

♆ Neptune □ Square ♃ natal Jupiter

♊ NNNode □ Square ♄ natal Chiron

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Wed, 15 Dec New Moon in Sagittarius

Mon, 20 Dec ♁ Uranus △ Trine ♄ natal Chiron

Tue, 21 Dec ♄ Saturn ♂ Opposition ♄ natal Saturn

Wed, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sun, 26 Dec ♃ Jupiter enters ♐ Sagittarius

♃ Jupiter ✕ Sextile ♅ natal Uranus

Jupiter in *Sagittarius* tends to make people **more generous with time and money**, so you might find yourself saying yes to plans or spending more freely than usual. At work and in relationships, **honest conversation flows easier**, though some people notice they also speak without thinking first and accidentally offend others. The pattern is that **learning new skills or travel** becomes more appealing during this time, and people often take that course they've been putting off or book a trip they'd dismissed as unrealistic.

Fri, 31 Dec ♆ Neptune □ Square ♁ natal NNode
