## KEY TRANSIT FACTORS

### ♂ Mars △ Trine ♀ natal Venus · peak 30 Nov ★

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

### ♂ Mars ☌ Opposition ♀ natal Mercury · peak 25 Nov ★

Your thinking becomes **reactive and argumentative** while this lasts, making you quick to contradict others or jump to conclusions without listening first. You may find yourself in more conflicts at work or at home because you're speaking faster than you're thinking, and people react badly to your bluntness. The psychological cost is real: you feel frustrated that no one understands your point, when really the problem is you're not giving yourself time to explain it clearly.

### ♇ Pluto ☌ Opposition ☉ natal Sun · peak 23 Nov

Right now you feel like people are questioning your authority or pushing back against decisions you would normally make without hesitation. You may find yourself **defensive about who you are**, or noticing that your usual confidence in your own judgment has become shaky. Over the coming weeks, situations at work or in relationships will force you to examine whether you are actually as much in control as you thought you were.

### ♃ Jupiter ∟ Semi sextile ♁ natal Uranus · peak 10 Nov

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

### ♁ Lilith ☌ Conjunction ♀ natal Venus · peak 26 Nov

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

### ♃ Jupiter ☌ Opposition ♄ natal Saturn · peak 20 Nov

Right now you're caught between wanting to expand and feeling held back by practical limits, which makes you restless and frustrated. You're likely **pushing harder against rules or responsibilities** that suddenly feel too tight, whether at work or in commitments you've made. Over the coming weeks this friction can push you to either break something unnecessarily or finally face where you've actually been avoiding difficult decisions.

#### ♃ Jupiter ♃ Quincunx ♃ natal Moon · peak 8 Nov

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

#### ♇ Pluto \* Sextile ♃ natal Jupiter · peak 30 Nov

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

#### ♃ Jupiter ♃ Quincunx ♁ natal NNode · peak 1 Nov

Over the coming weeks, you feel pulled toward new opportunities that don't quite fit your usual pattern, and this creates a practical tension you have to work through. You might say yes to something professionally or socially that requires you to **adapt your approach or learn something new**, even though it feels awkward at first. The mismatch between what you want to try and what comes naturally to you forces you to make a real choice about whether growth is worth the temporary discomfort.

#### ♁ NNode ♃ Quincunx ♄ natal Saturn · peak 30 Nov

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

#### ♃ Jupiter ∟ Semi sextile ♃ natal Neptune · peak 1 Nov

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

#### ♄ Saturn □ Square ☉ natal Sun · peak 30 Nov

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

#### ♄ Saturn ♃ Quincunx ♇ natal Pluto · peak 1 Nov

You feel stuck between wanting to control a situation and knowing you cannot, which makes you irritable and restless in ways that are hard to explain to others. **You push harder on things that won't budge**, and this friction shows up most in relationships or projects where someone else has real power. Over the coming weeks, the practical way forward is to accept what you genuinely cannot change and redirect your effort toward the small moves that are actually within your reach.

#### ♄ Chiron ♃ Quincunx ♄ natal Chiron · peak 1 Nov

Over the coming weeks, you might notice old hurts or tender spots suddenly feel awkward or misaligned in new situations. You're **reassessing how you've handled past pain**, and what worked before may not fit anymore. This mismatch can feel uncomfortable, but it's actually showing you where your coping strategies need to shift.

#### ♁ NNode △ Trine ♄ natal Chiron · peak 1 Nov

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

#### ♿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

**KEY DATES**

**Tue, 9 Nov** ♀ Venus enters ♏ Scorpio

♂ Mars enters ♐ Sagittarius

*Venus* in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

**Wed, 10 Nov** ♃ Jupiter enters ♏ Scorpio

*Jupiter* moving into *Scorpio* tends to make people **dig deeper** into conversations and decisions instead of skimming the surface. At work and in relationships, this shift often brings **more honesty** about money, power, and what people actually want from each other. Over the next year, you'll likely notice **increased intensity** in how seriously people take their commitments and investigations—whether that's a business partnership, a financial overhaul, or just asking harder questions before saying yes to things.

**Sun, 14 Nov** New Moon in Scorpio

♇ Pluto ♂ Opposition ☉ natal Sun

**Mon, 15 Nov** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Sat, 20 Nov** ♃ Jupiter ♂ Opposition ♄ natal Saturn

**Mon, 22 Nov** ☉ Sun enters ♐ Sagittarius

*Sun* in *Sagittarius* tends to make people **more direct and honest** — you'll notice colleagues and friends saying what they actually think instead of holding back. **Restlessness kicks in** at work and in routines, so people often start planning trips, taking on new projects, or pushing back against rules that feel pointless. In relationships and conversations, expect **blunt opinions** and *Sagittarius* energy bringing out your urge to debate, teach, or explore ideas rather than stick to small talk.
