♊ North Node	in	♋ Pisces	27°25'37"	IX Rx
♁ Lilith	in	♋ Cancer	7°08'35"	XII

#### KEY TRANSIT FACTORS

##### ♆ Neptune △ Trine ☾ natal Moon · peak 21 Jan

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

##### ♄ Saturn △ Trine ♂ natal Mars · peak 17 Jan

Right now you're able to **push toward your goals without burning out**, because you have patience alongside your drive. You naturally pace yourself better than usual, finishing projects instead of starting ten new ones. Over the coming weeks, people notice you're reliable and steady, which builds real respect at work and in your personal life.

##### ♃ Jupiter ∟ Semi sextile ♊ natal NNode · peak 24 Jan

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

##### ♄ Saturn ♂ Conjunction ♀ natal Venus · peak 31 Jan

You are more cautious about what you want from people right now, and you may pull back from social situations that feel superficial or demanding. Your **standards for who and what you let close become stricter**, which can feel isolating but also clarifies what actually matters to you. Over the coming weeks, relationships either deepen through honest conversation or naturally fade as you stop overextending yourself.

##### ♆ Neptune △ Trine ♃ natal Uranus · peak 30 Jan

You find yourself **more willing to experiment with unconventional ideas** without the usual anxiety that normally holds you back. Your imagination is practical right now, which means you can actually turn creative impulses into something real instead of dismissing them as too strange or risky. Over the coming weeks, you'll notice you're more comfortable being yourself in social situations and less concerned with fitting into what others expect.

##### ♃ Jupiter □ Square ☉ natal Sun · peak 16 Jan

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

#### ♃ Jupiter ☐ Square ♆ natal Neptune · peak 24 Jan

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

#### ♃ Jupiter ☐ Quincunx ♇ natal Pluto · peak 2 Jan

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

#### ♃ Jupiter ☐ Quincunx ♃ natal Jupiter · peak 18 Jan

Right now you are noticing a mismatch between what you want to expand in your life and what actually fits your current situation. You might feel pulled toward a new opportunity or ambition, but something about it does not quite align with your practical reality. Over the coming weeks, the adjustment you need to make will become clearer if you stop pushing and instead listen to what feels genuinely **workable** rather than just exciting.

#### ♁ NNode ☐ Square ♀ natal Mercury · peak 31 Jan

Right now you're running into friction between what you want to say and what actually comes out, leaving conversations awkward or misunderstood. **You second-guess yourself constantly**, rewriting messages in your head and struggling to explain your real thoughts clearly to others. Over the coming weeks, this mismatch between your thinking and your ability to communicate will force you to slow down and pay closer attention to how you're actually being heard.

#### ♄ Chiron ☐ Quincunx ♀ natal Venus · peak 1 Jan

Right now you notice small awkwardness in how you connect with people you care about, as if your usual way of showing affection doesn't quite land the way you expect. You might feel **slightly out of sync with your own preferences**, unsure whether you actually want what you thought you wanted in your relationships. Over the coming weeks, this discomfort is actually useful—it pushes you to adjust how you relate and to notice when you're settling or performing instead of being genuine.

#### ♃ Jupiter ☐ Square ♁ natal Moon · peak 31 Jan

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

#### ♁ NNode ☐ Square ♂ natal Mars · peak 1 Jan

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

#### ♃ Jupiter ☐ Quincunx ♂ natal Uranus · peak 31 Jan

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

#### ♇ Pluto △ Trine ♄ natal Chiron · peak 1 Jan

You find yourself **naturally helping others with their struggles** right now, and people seem to trust you more easily than usual. Your own past difficulties suddenly feel less raw, which frees up your attention to actually listen and support the people around you. Over the coming weeks, this practical compassion becomes one of your strengths rather than something that exhausts you.

#### ♀ Venus Rx · ♒ Aquarius

The role of freedom and individuality in your closest relationships comes into sharp focus during this period. Connections that require too much compromise of your independence feel unsatisfying now. Use this time to clarify what you genuinely need in partnership rather than settling for what is available.

## LUNATIONS

---

○ Full Moon · Monday, 12 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

● New Moon · Wednesday, 28 Jan

in ♒ **Aquarius**

innovation, social ideals, future direction

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

#### KEY DATES

**Thu, 1 Jan** ♄ NNode □ Square ♂ natal Mars

**Sat, 10 Jan** ♀ Venus enters ♑ Capricorn

*Venus* in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

**Sun, 11 Jan** ♆ Neptune △ Trine ☾ natal Moon

**Mon, 12 Jan** Full Moon in Cancer

**Tue, 13 Jan** ☿ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Fri, 16 Jan** ♃ Jupiter □ Square ☼ natal Sun

**Sat, 17 Jan** ♄ Saturn △ Trine ♂ natal Mars

**Sun, 18 Jan** ♄ NNode □ Square ♃ natal Mercury

**Tue, 20 Jan** ☼ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Wed, 21 Jan** ♆ Neptune △ Trine ☾ natal Moon

**Sat, 24 Jan** ♃ Jupiter □ Square ♆ natal Neptune

**Sun, 25 Jan** ♂ Mars enters ♓ Pisces

*Mars* in *Pisces* tends to **blur your usual drive**, making you less direct about what you want and more likely to drop hints instead of stating things plainly. At work or in relationships, people often notice they're **slower to push back** on things that bother them, or they take longer to make decisions because competing feelings keep shifting their mind. The pattern is that **physical energy dips** — you might feel less urgent about exercise or tasks, preferring to move at an easier pace until something emotional finally lights a fire under you.

**Mon, 26 Jan** ♄ Saturn △ Trine ♂ natal Mars

**Wed, 28 Jan** New Moon in Aquarius

**Thu, 29 Jan** ♆ Neptune enters ♒ Aquarius

*Neptune* in *Aquarius* makes people **question what they've accepted without thinking**, especially in tech, groups, and how information moves around them. At work and in friendships, you'll notice more **confusion about who's being straight with you**, since this placement blurs the line between idealism and what's actually true. Over the next years,

collective movements and online spaces become harder to read — what looks authentic often isn't, and what seems certain shifts constantly.

**Fri, 30 Jan** ♆ Neptune △ Trine ♄ natal Uranus

**Sat, 31 Jan** ♄ Saturn ♂ Conjunction ♀ natal Venus

♁ NNode □ Square ♀ natal Mercury

♃ Jupiter □ Square ♀ natal Moon
