KEY TRANSIT FACTORS

♂ Mars ☍ Opposition ♂ natal Uranus ★

Right now you're more **irritable and impulsive than usual**, and you're picking fights with people who usually don't bother you. Your need to break free from routine is so strong that you're making reckless decisions without thinking about the consequences. Over the coming weeks, you'll need to put real effort into slowing down before you act, or you'll damage relationships and create practical problems you'll regret.

♂ Mars ☐ Square ♀ natal Venus ★

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♂ Mars ☿ Quincunx ♃ natal Mercury ★

These days you're noticing a mismatch between what you want to say and what actually comes out, making conversations feel awkward or incomplete. Your thoughts move fast but your words struggle to keep up, so you end up **revising what you've said mid-sentence or backtracking** to clarify yourself. This friction usually settles once you slow down and write things out before speaking, rather than trying to think and talk at the same time.

♀ Venus △ Trine ♄ natal Saturn

Right now you find it easier to be **reliable and steady in your relationships**, and people notice. Your tendency to follow through on commitments feels natural rather than forced, which builds real trust with the people around you. These practical demonstrations of care—showing up, being consistent, keeping your word—actually deepen your connections more than grand gestures ever could.

♁ NNode ☿ Quincunx ♃ natal Jupiter

Right now you are noticing a mismatch between what you believe will make you happy and what actually does. You keep planning for bigger opportunities or better outcomes, but the details keep shifting in ways that require you to **adjust your expectations repeatedly**. Over the coming weeks, this awkward fit between your hopes and your real circumstances will push you to be more realistic about what you can actually control.

♃ Mercury Rx · ♈ Aries

Communication gets impulsive and then regretted during this period. You may speak before thinking, send messages in haste, or make decisions based on incomplete information. Revisiting plans rather than rushing forward is more productive than it feels right now.

☉ Sun ☿ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♃ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ♄ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

LUNAR DAY

Moon in ♍ Virgo · Day 12 / 30 · Waxing Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
