KEY TRANSIT FACTORS

♂ Mars ☐ Square ♀ natal Venus ★

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♁ NNode △ Trine ♁ natal Chiron

Right now you find it easier to talk about your past mistakes and disappointments without getting stuck in shame or defensiveness. People around you respond better when you speak honestly about what you've learned from difficult experiences, and you **naturally become more comfortable sharing your story**. Over the coming weeks, this openness creates real connections with others who have been through similar struggles.

♅ Uranus ★ Sextile ♁ natal Chiron

You find it easier right now to talk about past difficulties without getting stuck in them, and people actually listen differently when you do. Your **ability to explain what hurt you in a practical way** opens doors to real conversations instead of arguments. This period gives you a chance to turn old pain into something useful that helps both you and others move forward.

♇ Pluto ★ Sextile ♃ natal Jupiter

While this lasts, you feel more willing to **take calculated risks** and act on opportunities that normally would intimidate you. You're noticing that your instinct for what could work is sharper than usual, and people respond well when you pitch ideas or ask for what you need. Over the coming weeks, this confidence tends to open doors in practical areas like work, finances, or learning something new.

♂ Mars ∟ Semi sextile ♃ natal Mercury

Your mind feels sharper these days, and you're picking up on details you'd normally miss in conversations. **You speak with more directness and confidence**, which helps you get your point across without wasting time on unnecessary words. This is a practical window for tackling projects that need clear thinking or sorting out plans you've been sitting with.

♂ Mars Rx • ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

☉ Sun ♁ Opposition ♄ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

LUNAR DAY

Moon in ♎ Libra · Day 11 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
