## KEY TRANSIT FACTORS

### ♀ Venus ☐ Square ♅ natal Uranus ★

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

### ♀ Venus ☐ Square ♂ natal Mars ★

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

### ♄ Saturn △ Trine ♀ natal Venus

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

### ♁ NNode △ Trine ☿ natal Mercury

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

### ☿ Mercury qx Quincunx ☉ natal Sun

Over the coming weeks, you'll notice your usual way of explaining yourself doesn't quite land the way it normally does. You may find yourself **rewording things multiple times** or feeling like people are missing your point even when you think you're being clear. This awkward fit between what you're trying to say and how others receive it will likely frustrate you until the transit passes.

### ☿ Mercury Rx · ♋ Cancer

Your thinking turns inward and emotionally colored during this period, making objective analysis harder. Past conversations or unresolved family matters resurface and demand attention. Revisiting emotional decisions is more useful now than making new ones while this lasts.

### ☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### ☉ Sun qx Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

› Moon Δ Trine ♿ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

LUNAR DAY

Moon in ♏ Scorpio · Day 10 / 30 · First Quarter

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
