## KEY TRANSIT FACTORS

### ♃ Jupiter △ Trine ♇ natal Pluto ★

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

### ♃ Jupiter ★ Sextile ☾ natal Moon ★

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

### ♁ Chiron ∟ Semi sextile ♀ natal Venus

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

### ♆ Neptune ★ Sextile ♆ natal Neptune

You find it easier right now to **notice patterns in your own thinking** without getting caught up in them. Your intuition about what people need from you becomes clearer, and you can offer support without losing yourself in their problems. Over the coming weeks, this practical clarity about emotional situations helps you make better choices about who and what deserves your time.

### ☾ Moon □ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

### ☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

### ☉ Sun ∟ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.
