KEY TRANSIT FACTORS

☾ Moon ☐ Square ♄ natal Saturn ★

Right now you feel **emotionally heavy and withdrawn**, as if your normal mood swings have turned sluggish and grey. You notice yourself avoiding people, cancelling plans, and sitting with feelings of inadequacy that feel hard to shake. Over the coming weeks, this low mood will likely push you to look honestly at what you actually need instead of what you think you should want.

♁ Chiron ☐ Square ♇ natal Pluto

You're running into situations right now where your usual ways of handling power and control stop working, and that's frustrating. You may notice yourself **pushing harder against resistance instead of stepping back**, which tends to make things worse before anything improves. While this lasts, the practical challenge is learning to let go of outcomes you can't actually control, even though every part of you wants to fight for them.

♁ Chiron ☐ Square ☾ natal Moon

Right now you're more aware of emotional wounds you usually ignore, and that awareness feels uncomfortable rather than helpful. You might find yourself **withdrawing from people or snapping at them unexpectedly** because your usual emotional coping methods aren't working. Over the coming weeks, this friction is pushing you to look at how you actually handle upset instead of just moving past it.

♁ Chiron ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you may notice that **your intuition about other people becomes more reliable**, especially when someone needs practical help or honest advice. Your ability to listen without judgment improves, and people often feel safer opening up to you during this period. This natural compassion paired with clear thinking helps you offer genuine support that actually makes a difference in someone's life.

♅ Uranus * Sextile ♊ natal NNode

Right now you find it easier to **take practical steps toward the things you actually want to do**, without overthinking or second-guessing yourself. People around you notice you seem more willing to experiment with new approaches, and you're picking up on opportunities that would normally pass you by. This period works well for making small changes to your routine or trying something you've been curious about but hesitant to attempt.

☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

› Moon △ Trine ♀ Mercury

Right now it feels easier to say what you actually mean without stumbling over your words or worrying what others will think. Your **thoughts match your feelings**, so conversations flow naturally and people understand you the first time. This is a good window for sorting through something confusing, making plans, or having an honest talk that you have been putting off.

› Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

LUNAR DAY

Moon in ♎ Libra · Day 8 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
