KEY TRANSIT FACTORS

♊ NNode ☐ Square ♀ natal Venus

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

♁ Chiron ☐ Square ♃ natal Uranus

Right now you feel caught between wanting to break free and being afraid of what comes next. **You act impulsively without thinking through the consequences**, then immediately regret decisions you've made about your independence or your unconventional plans. Over the coming weeks, expect friction in areas where you've been trying to be different or rebel against expectations, because part of you still doubts whether the change is actually right for you.

☿ Mercury ☌ Conjunction ♊ natal NNode

Right now you're more willing to speak up about things that matter to you, and people are actually listening. You find yourself **saying what you really think** instead of holding back, and conversations feel more direct and honest. Over the coming weeks, this clarity in how you communicate can help you build connections with people who share your actual interests and values.

♀ Venus ☌ Conjunction ♊ natal NNode

These days you find it easier to **connect with people who matter to you**, and social invitations or collaborative opportunities seem to arrive naturally. Your emotional availability is higher than usual, which makes others respond well to you in practical ways—you get heard, supported, and included more readily. Over the coming weeks, pay attention to the relationships or group situations that feel genuinely warm, because they often point toward connections worth developing further.

♄ Saturn ☐ Trine ☿ natal Mercury

Your thinking becomes more organized and methodical right now, making it easier to work through complex problems without getting distracted. You find yourself **naturally able to follow through on plans** and communicate what you actually mean instead of talking in circles. This period is ideal for learning something practical or finishing projects that require sustained focus and clear explanations.

♄ Saturn Rx · ☌ ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☉ Sun ☍ Opposition ♄ Saturn

Right now you feel **blocked by rules and criticism** when you try to move forward on something that matters to you. Authority figures or your own strict inner voice push back against what you want to do, making you doubt whether you deserve to succeed. This friction is real and uncomfortable, but it forces you to build something solid instead of rushing ahead on ego alone.

☉ Sun ∟ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

LUNAR DAY

Moon in ♑ Capricorn · Day 29 / 30 · Waning Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.
