## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ☿ natal Mercury

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

### ☉ Sun ∟ Semi sextile ♇ natal Pluto

You find yourself noticing things about yourself that usually stay hidden, and instead of feeling threatened, you feel oddly **clear-headed about your own motivations**. This natural self-awareness means you can make practical changes in your life without drama or resistance. Over the coming weeks, small shifts in how you approach power and control tend to flow easily, leaving you feeling more grounded than before.

### ☿ Mercury ☐ Square ♄ natal Saturn

Your thinking feels slower and more critical right now, as if your mind is working against you instead of for you. You second-guess yourself constantly, rewrite emails before sending them, and **struggle to say what you actually mean**. These delays and self-doubt can make practical tasks like paperwork, contracts, or explaining yourself to others feel exhausting and unnecessarily hard over the coming weeks.

### ♂ Mars ☌ Conjunction ♄ natal Saturn

While this lasts, you find yourself **willing to push through tasks that normally feel tedious or heavy**. Your patience is higher than usual, and you can sit with difficult work without getting frustrated or giving up halfway through. This is a practical window to tackle projects that require sustained effort and careful attention to detail.

### ♁ NNode ☌ Conjunction ♀ natal Venus

These days you are **drawn toward people and situations that feel more authentic to you**, and you find it easier to say no to relationships or commitments that don't fit. Your social choices become clearer because you care less about keeping peace and more about genuine connection. Over the coming weeks, pay attention to which people and activities you naturally gravitate toward—they are showing you what actually matters to you right now.

### ♃ Jupiter Rx · ♒ Aquarius

Ideas about social progress, collective improvement, and future-oriented goals turn inward during this period. Idealism that has been driving group efforts may need grounding in more concrete assessment. Reviewing rather than promoting your vision of how things could improve serves you better right now.

### ☉ Sun ∟ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

LUNAR DAY

Moon in ♐ Sagittarius · Day 10 / 30 · First Quarter

**Restlessness with routine increases** during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY
