KEY TRANSIT FACTORS

☉ Sun * Sextile ♁ natal Chiron

These days you find it easier to talk about your past difficulties without getting stuck in them or feeling ashamed. You're **more willing to help others with their problems** because you can see how your own hard experiences actually taught you something useful. This period brings a practical confidence that lets you turn what once hurt you into real advice people actually want to hear.

☾ Moon △ Trine ♂ natal Mars

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

♇ Pluto □ Square ♇ natal Pluto

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♀ Venus △ Trine ♀ natal Venus

These days you find it easier to **say yes to what you actually want** instead of pushing yourself to please others. People respond well to you right now because you're more relaxed and genuine in how you present yourself. Over the coming weeks, relationships and creative projects tend to move forward without much friction on your part.

♇ Pluto □ Square ☾ natal Moon

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

› Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

› Moon △ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

LUNAR DAY

Moon in ♌ Leo · Day 6 / 30 · Waxing Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
