KEY TRANSIT FACTORS

♇ Pluto ☐ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♁ NNode ☐ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that **old insecurities are surfacing in new situations**, especially when you are trying something unfamiliar. You feel aware of your weak spots but also slightly out of sync with how to address them. This mismatch between knowing what bothers you and knowing how to move forward can make practical decisions feel awkward or indirect.

☉ Sun ☐ Opposition ♁ natal NNode

Right now you feel pulled in the opposite direction from what comes naturally to you, and it creates real friction in how you show up socially. You become **self-conscious about your usual way of being**, second-guessing choices you would normally make without thinking. Over the coming weeks, this discomfort is actually pushing you to expand beyond your comfort zone, though the process feels uncomfortable rather than exciting.

♁ Chiron ☐ Trine ♁ natal Mercury

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

♀ Venus ☐ Conjunction ♄ natal Saturn

You're noticing that you want deeper, more serious connections right now instead of surface-level socializing. Your relationships feel more **meaningful when they come with real commitment and history**, and you're less interested in people who seem unreliable. This period favors long-term partnerships and practical arrangements over romantic excitement, so if you're single you might attract someone older or more established than usual.

♂ Mars Rx · ♏ Scorpio

Intense, driven energy is available right now but often feels blocked or turned inward. Old resentments, power struggles, or buried ambitions resurface and demand honest acknowledgment. This period supports deep investigative work but makes impulsive confrontations more harmful than productive.

♄ Saturn Rx · ♐ Sagittarius

Beliefs that have been functioning as unexamined rules are being tested for their actual utility right now. Long-term plans based on optimistic assumptions may need grounding in more realistic evaluation. Honest review of what you have committed to — in education, philosophy, or travel — is more productive than continuing forward without looking back.

☉ Sun ☌ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♃ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.
