KEY TRANSIT FACTORS

♄ Saturn ☐ Square ☾ natal Moon ★

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

♅ Uranus ☐ Square ♀ natal Venus ★

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♅ Uranus ♂ Conjunction ♂ natal Mars

You feel a sudden urge to break your normal routine and try things you wouldn't usually risk. Your usual way of handling frustration stops working, and you become **impatient with anything that feels slow or restrictive**. These days you're more likely to act on impulse, so decisions that normally take you weeks might happen in a few hours.

♂ Mars △ Trine ♁ natal Chiron

Right now you have a **straightforward ability to talk about your past hurts without falling apart**, which makes this a good window for honest conversations with people who matter. You're less defensive than usual, so you can actually listen when someone gives you feedback instead of shutting down. Over the coming weeks, this practical confidence means you can take real steps to fix old patterns rather than just thinking about them.

☾ Moon ★ Sextile ☾ natal Moon

Right now you feel **emotionally steady and more comfortable with yourself**, which makes it easier to handle what people ask of you without getting irritated. Your relationships run smoother because you're neither withdrawn nor demanding—you're just present and genuinely listening to what others need. This is a good window to sort out practical things at home or have conversations with family that you've been putting off.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☾ Moon ☐ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

LUNAR DAY

Moon in ♊ Gemini · Day 8 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
