KEY TRANSIT FACTORS

♅ Uranus ☐ Square ♀ natal Venus ★

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♄ Saturn ☌ Conjunction ♁ natal Lilith

While this lasts, you become much more aware of the rules you've been breaking or ignoring, and you feel pressure to either follow them or admit you won't. You experience **reluctance to pretend anymore**—social expectations that never bothered you before suddenly feel heavy and false. Over the coming weeks, you'll likely make a choice about which boundaries you actually respect and which ones you're ready to stop hiding behind.

♂ Mars ☌ Opposition ♇ natal Pluto

You feel an unusual **drive to challenge authority or push back against rules** that normally you accept without question. Your frustration builds quickly when you sense someone trying to control you, and you may act on that irritation before thinking through the consequences. These days, your willingness to start confrontations can damage relationships or create practical problems at work that take months to repair.

♄ Saturn ∟ Semi sextile ☉ natal Sun

Right now you find it easier to follow through on commitments without burning out, because a quiet steadiness is backing your efforts. Your confidence stays realistic instead of swinging between overconfidence and doubt, which means you make **fewer impulsive decisions** and actually stick to what matters. This is a practical window where showing up consistently—at work, in your relationships, or on personal goals—feels natural and manageable rather than forced.

♀ Venus qx Quincunx ♄ natal Saturn

Right now you feel pulled between wanting closeness with someone and needing to keep your distance, which makes you act uncertain in social situations. You might say yes to plans and then back out, or hold back from expressing what you actually want because you are unsure how it will land. These mixed feelings are temporary, but while this lasts they can make your relationships feel awkward or leave you feeling dissatisfied with how you are connecting.

☉ Sun ☌ Conjunction ♇ Pluto

These days you're more aware of what actually matters to you and less willing to pretend otherwise. You may feel **driven to make real changes** — dropping habits that feel fake or relationships that drain you — even if it makes things uncomfortable for a while. This isn't about drama; it's about wanting your life to match what you actually believe.

› Moon * Sextile ♿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

› Moon □ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

LUNAR DAY

Moon in ♋ Pisces · Day 4 / 30 · Waxing Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
