KEY TRANSIT FACTORS

☾ Moon ☌ Opposition ♇ natal Pluto ★

While this lasts, you are likely to feel **emotionally raw and defensive about things you normally keep hidden**. Small comments from others may feel like attacks, and you might push back hard or withdraw completely without explaining why. This period tends to expose power struggles in your relationships and make you aware of control patterns you have not noticed before.

♀ Venus ∟ Semi sextile ♁ natal NNode ★

Over the coming weeks, you find it easier to say yes to social invitations and to spend time with people who genuinely matter to you, without overthinking whether you belong. You become **more relaxed about being yourself in groups**, and others respond to this by including you more naturally in their plans. This small shift creates more warmth in your relationships and makes it simpler to build connections that actually fit who you are.

☾ Moon △ Trine ♆ natal Neptune ★

Your **imagination feels more accessible right now**, and creative ideas come to you more easily than usual. You're also more **attuned to what people around you need emotionally**, picking up on moods and unspoken feelings without effort. These days your intuition works in your favour, especially when you're making decisions or trying to understand a difficult situation.

♁ Chiron △ Trine ☉ natal Sun ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

♀ Venus □ Square ♂ natal Uranus ★

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun * Sextile ☽ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

☉ Sun ∟ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.
