KEY DATE

♂ Mars enters ♒ Aquarius

Mars in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

KEY TRANSIT FACTORS

♀ Venus ☐ Square ♅ natal Uranus ★

Right now you're restless in your relationships and find it hard to settle into routine affection or commitment. You might **push away people who want closeness** or suddenly lose interest in someone who was important to you last week. This friction between wanting freedom and being expected to show up consistently will test your patience and theirs over the coming weeks.

♀ Venus ☐ Square ♂ natal Mars ★

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

♁ Chiron △ Trine ☉ natal Sun ★

Over the coming weeks, you find it easier to **talk about your past struggles without shame**, and people respond by listening instead of judging. Your confidence in handling difficult conversations improves naturally, and you notice you can help others through their problems without getting stuck in them yourself. This period gives you a practical window to work through something that has bothered you for a while, and your clarity right now makes the work feel less heavy.

☾ Moon * Sextile ♃ natal Jupiter ★

You feel **more generous and open to other people** right now, which makes conversations easier and helps you connect with others without overthinking things. Your mood is lighter, and you're more likely to say yes to social invitations or to help someone out without keeping score. This is a good window to ask for what you need or to approach someone you've been meaning to reach out to, because you come across as relaxed and genuinely interested in them.

♆ Neptune ☿ Quincunx ♅ natal Uranus

Over the coming weeks, you find yourself **second-guessing decisions you normally make without hesitation**, especially about independence or unconventional plans. Your instinct to break free from routine is still there, but doubt keeps creeping in about whether the timing or approach actually makes sense. This confusion fades once the transit passes and your clearer judgment returns.

☉ Sun ☿ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☿ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☾ Moon * Sextile ☿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*
