KEY TRANSIT FACTORS

♆ Neptune ☐ Square ♁ natal NNode

Right now you are **second-guessing decisions you thought were settled**, especially about work or relationships that felt like the right direction. Your usual instinct for what matters to you becomes fuzzy, and you find yourself drawn to options that promise escape or easy answers instead of doing the real work. Over the coming weeks, you will probably feel frustrated by this confusion until you accept that clarity simply takes longer during this period.

♃ Jupiter △ Trine ♀ natal Venus

Right now you're naturally more **generous and open-handed** with people around you, and they notice. You find it easier to say yes to invitations, spend money on things that bring you joy, and let others see you enjoying yourself without guilt. This practical shift in how you move through social situations tends to bring more warmth back to you from the people in your life over these coming weeks.

☿ Mercury △ Trine ♁ natal NNode

These days you find it easier to **say what you actually mean** without second-guessing yourself. Your conversations flow naturally toward the topics and people that matter most to you, and others respond well to your straightforward approach. Over the coming weeks, this clarity with words opens doors socially and professionally that usually feel harder to walk through.

☉ Sun ☉ Opposition ☿ natal Mercury

Right now you're finding it hard to say what you mean, and people often misunderstand your point even when you explain carefully. Your thinking feels scattered and you keep losing your train of thought in conversations or at work. This friction between what you want to communicate and what actually comes out will push you to slow down and choose your words more deliberately over the coming weeks.

☾ Moon ☐ Square ☿ natal Mercury

Right now your emotions are making it harder to think clearly or communicate what you actually mean. You say things you didn't plan to say, or you misread what others are trying to tell you because you're **reacting from feeling rather than listening**. These next few days or weeks will test your patience with conversations and small decisions until this mood passes.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☾ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

LUNAR DAY

Moon in ♌ Leo · Day 8 / 30 · First Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
